Greetings,

It is difficult to believe we are already preparing for our 4th Annual Students Competing for Christ Competition. As always, we have considered recommendations and feedback from previous years to make this year better than ever, and are anticipating a spectacular event this year. It is our prayer that this year's events draw us all closer than ever to our Lord and Savior, Jesus Christ.

The first step for a successful year is to register students for specific competitions. Please review the enclosed information and guide your child(ren) to choose at least one performance category. The Academic categories do not have to be registered for, as all students are included in these categories. We will then be able to determine the need for and recruit judges, coaches, and committees from our volunteer lists. Please feel free to contact the office if you are interested in being added to our volunteer list.

In the following pages you will find:

- A reminder of the objectives of this program.
- A reminder of the guidelines for selection of committees, judges, and coaches.
- Information on each category to aid in making registration decisions.
- A registration form to be filled out for each student (additional copies available in office).

Please turn in all registrations Friday, by October 27th, 2017.

Note: There is no registration fee for participation.

Program Objectives

- To encourage our students to let Jesus shine through them.
- To encourage our students to take responsibility for their education.
- To encourage our students to develop their individual strengths.
- To encourage our students to attack individual fears.
- To encourage our students to evaluate themselves. (Psalm 139)

Guidelines for Selection of Committees, Judges, & Coaches

1. Committees: We desire at least one representative from staff, LVCA parents and homeschooling parents on each committee.
2. Judges - We desire at least one representative from staff, LVCA parents and homeschooling parents on each judging panel. Judges should be knowledgeable in area of performance competitions and familiar with scoring guidelines for their category.
3. Coaches – Coaches are welcome from LVCA staff and parents, LVBC members, and of course homeschooling parents.

Thank you once again for the help and encouragement you have all offered so far. We are looking forward to a spectacular event this coming May.

COMPETITION CATEGORY INFORMATION

WRITTEN OR ORAL MASTERY EVALUATION CATEGORIES (To be evaluated on days indicated)

It is our desire that our students take to heart Colossian 3:23-24

“And whatsoever ye do, do it heartily, as to the Lord, and not unto men;

Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ.”

For this reason, our core curriculum is an integral part of our competition. All students will be encouraged to do their best as always throughout the school year and all students will go through the qualifying rounds for Bible Memory, Math, and Spelling. These qualifying rounds will be held the week of April 16 – 20, 2018 during school. Students qualify for a participation ribbon for scoring between 75% and 100%. First, Second, and Third place will be awarded according to our Pastor’s List, A Honor Roll, and B Honor Roll percentage guidelines respectively (See front cover or handbook). Once a student qualifies with at least a 75% in these categories and has registered for one optional area, he/she will receive a registration form to sign up for one of our sports competitions if they desire.

No Registration Required For the following categories

Study to hide God’s Word in your heart. (Psalm 119:11)

Study your school work heartily (diligently), as to the Lord, and not unto men.

(Colossians 3:23)

Complete qualifying round.
