The All-Star Coaches are selected by the Steering committee during the January clinic. We are always looking for coaches to help with this great event. A past head coach must sit out for our years before coaching again. An assistant coach must sit out one year before he can apply again for a coaching position. We need coaches from all over the state to get a good balance. Please consider helping the association by coaching in a future all-star series.

IHSBCA Award Winners:

Bill & Sherry Freese Contributors Award to Jesse Jablonski:

We would like to take this opportunity to express our deepest appreciation to Jesse Jablonski for his endless work and contributions he made which cleared the way for the All-Star Series to go on as planned this past summer in Pella. His tireless efforts allowed us to hold the series after days of severe weather in the Pella area. Three days before the series was to begin torrential rains and high winds hit the area two days in a row. The field became a lake and the outfield fence was blown over. With only days before the All-Star Series was to begin, Jesse and his crew went to work to clear the water from the infield and repaired the outfield fence. Once the playing area dried, he had a day to mow the grass and groom the dirt areas. Then to make matters worse, strong storms moved back into the area the night before the series was to begin, but fortunately, the high winds and heavy rains stayed south of Pella. Jesse's work ethic and dedication to meet a deadline says everything about his character and his love for the game of baseball. Congratulations to Jesse Jablonski for being named our 2024 Bill and Sherry Freese Contributors Award winner.

President's Award to Scott Parcher:

We would like to take this opportunity to recognize one of our long time friends and supporters of Iowa high school baseball, Scott Parcher from Carroll. Scott has been the Park Superintendent for the community of Carroll since 1980. Along with other city park duties, Scott also took on the job of the grounds crew management supervisor for the historic Merchants Park Baseball field. Scott put his years of knowledge in turf-grass management, dendrology, horticulture and landscape design to good use. He turned an already nice facility into an outstanding baseball facility. Merchants Park has become the site for the Class 1A and 2A State Tournaments and has hosted four All-Star Series. Without his knowledge, dedication, and commitment to his craft, the city of Carroll and Iowa high school baseball would not be blessed with such an outstanding baseball facility and a venue that everyone wants to play at. Thanks to Scott, Merchants Park is truly Carroll's "Field of Dreams". On behalf of the Iowa High School Baseball Coaches Association, we would like to congratulate Scott Parcher for being named the 2024 President's Award Winner.

Harold "Pinky" Primrose Award to Lyle "Butch" Baer:

Staying with something for a long period of time is a characteristic that you don't see very much anymore. It's a thing of the past. But, for the past 32 years Lyle "Butch" Baer has been the Public Address voice of Marshalltown High School. Although he has worked nearly every sport the school has to offer - it has been baseball that has brought Butch wide-spread notoriety around the state of Iowa. In 1993 the 4-class state tournament was held in Marshalltown and delayed by rain until the next Monday. Butch volunteered to pinch hit for the assigned PA man who would be out of town - and Butch hasn't left the State Baseball microphone since. Butch worked the state championships from 1993 until 2004 in Marshalltown then followed the tourney to Principal Park in Des Moines. Most recently he continued his work with the 3A/4A tournament at Duane Banks Field in Iowa City and will be one of the announcers at this summer's championship series at Veteran's Memorial Stadium in Cedar Rapids. He has filled in for the U of Iowa the past couple seasons, as well. Butch gets to know the coaches and umpires who cross his path on a personal level - he's one of those guys who "never forgets a face" -- and he's worked with 30+ years of coaches and umpires at a variety of levels. He's a guy who insists on getting things right - from the names of coaches on a staff to the hometowns of umpires right down to the pronunciation of the 21st player's last name. There are few people in our state who have given as much time and effort to the sport of baseball that Butch has. On behalf of the IHSBCA, we would like to honor and congratulate Lyle "Butch" Baer with our 2024 Harold "Pinky" Primrose Award.

Todd played his high school career at Oelwein High School where he played for 5 years. He played his college baseball at the University of Northern Iowa for Coach Rick Heller where he was a two-time team captain, a 4-year starter, and helped the team to their first NCAA D-I regional post-season tournament. He took the step into coaching at UNI after he graduated and became an assistant coach. He coached at UNI for three years before moving on to North Iowa Area Community College as the head coach. He spent 11 seasons at NIACC where he won 321 games. He then took his talents to Kirkwood Community College where he is currently the head baseball coach and the Athletic Director. During his very successful high school years, Ryan was an All-Conference selection for 4 years, an All-District selection for 4 years, and selected All-State for 4 years. His junior and senior years he was selected to the "Super Team" All-State Team. Ryan was drafted in 2003 in the second round by the Chicago White Sox. Ryan had committed to play college baseball at San Diego State University for Head Coach Tony Gwynn. Ryan played 9 years in the major leagues with 4 different teams. Ryan is married to his wife Natasha and has 2 sons, Myer and Hayes.

Merl Eberly (Contributor) – Merl was the long-time coach, general manager, bus driver and team fundraiser for the Clarinda A's summer collegiate baseball program in Clarinda, Iowa for over 50 years. If you ever wanted to know where the term, "the boys of summer" holds true, then go to Clarinda and spend a weekend watching summer league baseball. Merl was a graduate of Clarinda High School and Clarinda Junior College where he obtained a teaching degree. It was during those years his love of athletics developed. A four-sport athlete in high school, he played basketball in junior college and minor league baseball for the Chicago White Sox from 1956-1957. Merl had a 30-year career at the Clarinda Herald Journal where he started in the back shop, wrote sports, was an advertising salesman and stockholder. His column "Sport Shorts by ME" was always a favorite of his and his readers. He also was a volunteer baseball coach at IWCC. Opportunities to leave Clarinda came in both the publishing and baseball fields, but this was his home, and he was proud of it for the friendliness, work ethic and community spirit. He felt it was also the right place to raise his family. His association with the Clarinda A's baseball program began in 1954 when he was a player, then manager from 1961-1997, serving as the General Manager at the time of his passing in 2011. When the team changed from the town team to the collegiate concept in the early 70's, he told board president Dr. C.E. Nichols he would manage for two years, but his love of the game and working with young people kept him there quite a bit longer. Merl has coached many players who went on to have outstanding major league careers. The most well-known is Ozzie Smith who played for the St. Louis Cardinals and won a World Series in 1982. Others that passed through Clarinda on their way to the major leagues are Chuck Knoblauch (Twins/Yankees), Von Hays (Phillies), and Buddy Black (Royals). There have been many awards bestowed upon Merl through the years. He is in a handful of Halls of Fame, recognized as Citizen of the Year and Lifetime Achievement among others from Clarinda Chamber of Commerce, has earned IWCC recognition, National Baseball Congress Awards, Midwest Professional Scouts and Cardinal Booster Club recognition. All this was capped by the naming of the baseball diamond in Clarinda as Eberly Field in 2010. All these he accepted with humility on behalf of his family, his co-workers at the Herald Journal, the community and A's alumnus who have all supported his work with youth and activities in Clarinda. That not only included his own children, but the many from across the country who have played for him, parents of the players, the local people who opened their doors to the "boys of summer" and the many managers, coaches, scouts and umpires who crossed his path through the years. Merl married Patricia Lee Heil in 1954. They have six children – Julie Kae, Ricky Jay, Jill Anne, Joy Sue, Ryan James and Rodney Jacob. There are 11 grandchildren and six great-grandchildren. His family has been the center of his life through the years with all the children being involved with his interest in sports, as well as hunting, fishing and love of the land. Holidays and family gatherings were always a special time with the growing numbers adding to the fun.

Ricardo Alverio (Umpire) – Ricardo has been umpiring high school baseball for 38 plus years. He spends most of his time umpiring in the CIML, Little Hawkeye, and Raccoon River Conferences. Ricardo has umpired district and sub-state baseball action for the past 20 years. He has umpired in 14 State Tournaments and 7 All-Star Series. Ricardo has been a member of the association for 16 years and has also been a long-time member of the umpires committee. Ricardo has been named the Dave Harty Newcomer Umpire of the Year, District Umpire of the Year, and State Umpire of the Year in 2014. Ricardo has been actively involved within the association and attends the clinic on a regular basis. He has been an asset serving on the associations umpire committee. Ricardo brings a wealth of baseball knowledge as an umpire to the game. His personality and understanding demeanor are characteristics that make him a sought-after umpire at all levels of the game. Knowledge, fairness, and consistency are regular comments made by school administration and high school coaches when talking about Ricardo. He brings control and organization to the ballpark. Ricardo emphasizes the importance of building relationships with coaches/admin and always leads by example on and off the field.

FOR 20 YEARS.
EXCELLENCE FROM THE GROUND UP!
