REMINDER: ALL-ACADEMIC DUE - JUNE 12 and ALL-STARS DUE - June 19

Academic All-State Nomination Form Information. Coaches, due the continued decrease in the number of students taking the ACT Test, we will follow the same process as last year. When you nominate a player for Academic All-State you will NOT need their ACT score. If your player took the ACT, feel free to put his score on the nomination form, but it is not required this year. To be nominated, a player must be a senior, start 90% of the games or be a pitcher in the rotation, and have a minimum of a 3.4 GPA. Please plan ahead. If you want to nominate a player for the Academic All-State Team, get this information from a counselor before the end of the school year. Forms are due to Lee Toole by June 12th.

PITCHING INFORMATION

Pitching Limitation Rule

Each individual is limited on the number of pitches thrown on a given day. The chart below shows how many pitches an individual can throw on a particular day and the number of days of rest required after throwing a specific number of pitches.

	10th-12th Graders	8th-9th Graders
No Rest	1-25	1-25
1 Day	26-40	26-40
2 Days	41-65	41-65
3 Days	66-90	66-90
4 Days	91-110	*More than 90 pitches allowed only if finishing pitching to a batter

When the pitcher reaches 110 pitches, he may not pitch to another batter. He may only finish pitching to the current batter.

If an individual were to pitch on consecutive days, the two or more-day total would determine how many days of rest would be required before the individual could return to pitch. The consecutive day total cannot exceed 110 pitches for 10th-12 graders and 90 pitches for 8th and 9th graders.

10th-12th graders may only throw 180 pitches in a week through Saturday, June 1. Starting with the week of June 3, 10th-12th graders are only restricted with the daily limitation. 8th-9th graders may only throw 150 pitches in a week for the entire season. A week is defined as Sunday-Saturday. An 8th or 9th grader playing varsity baseball is still limited to 90 pitches on a day and 150 pitches in the week. The weekly limit is a soft-cap number similar to that off the 110 pitch daily limit for upperclassmen.

If an individual were to throw 40 or fewer pitches in game one of a doubleheader, he may return to pitch in game two, up to 110 pitches for the day. If an individual were to throw more than 40 pitches in game one of a doubleheader, he would be ineligible to pitch in game two. An individual can return to pitch in the same game if he had pitched earlier in the contests.

An adult designee from each team approved by the school will confirm the pitch count of each pitcher at the completion of each inning. If there is a discrepancy that cannot be worked out, the home scorebook/count will be considered the official count.

All varsity pitch counts are required to be entered into Varsity Bound within 24 hours of the completion of the game. All levels of baseball (freshman, JV, varsity, etc.) are required to complete the IHSA Pitch Count Chart and both schools' recorders are required to verify and sign said chart at the conclusion of the contest.

The baseball advisory committee approved that the current Varsity Bound check dates as the time frame to report pitch count violations. For example, the first required Varsity Bound statistical data entry is the second Tuesday in June. A coach contacts the IHSA during the third week of June stating that a pitch count violation occurred during the first week of June. The IHSA will deny that request for a potential forfeiture to occur.

Pitch Count Scenarios

- A pitcher throws 85 pitches on Monday. How many calendar days of rest are required? Three calendar days of rest are required. He may pitch again on Friday of that week.
- An upperclassmen pitcher throws 106 pitches on Saturday. When is the next day he is eligible to pitch? He is eligible to pitch on Thursday after receiving four (4) days of rest. He is eligible to pitch the maximum of 110 pitches on Thursday.
- An upperclassmen pitcher throws 12 pitches on Tuesday. He does not throw on Wednesday. How many pitches can he throw on Thursday? He is eligible to pitch 110 pitches on Thursday.
- An upperclassmen pitcher throws 85 pitches on Monday and 85 pitches on Friday. When is the next day he is eligible to pitch? He is eligible to pitch on Tuesday, after receiving three (3) days of rest.
- During the first week of the season, an underclassmen pitcher throws 85 pitches on Monday and is eligible to pitch again on Friday. How many pitches can he throw on Friday? The maximum number of pitches he can throw is 65. Underclassmen can throw a maximum of 150 pitches per week.
- During the last week of the regular season, an underclassmen pitcher throws 85 pitches on Monday and is eligible to pitch again on Friday. How many pitches can he throw on Friday? The maximum number of pitches he can throw is 65. Underclassmen are restricted to 150 pitches per week all season long.
- During the first week of the season, an upperclassmen pitcher throws 85 pitches on Monday and is eligible to pitch again on Friday. How many pitches can he throw on

Friday? The maximum number of pitches he can throw is 95. Upperclassmen can throw a maximum of 180 pitches per week through Saturday, June 1.

- During the last week of the regular season, an upperclassmen pitcher throws 85 pitches on Monday and is eligible to pitch again on Friday. How many pitches can he throw on Friday? The upperclassmen can throw a maximum of 110 pitches. Upperclassmen are only held to the daily maximum starting with Sunday, June 2.
- In the bottom of the 6th, an upperclassmen pitcher has reached his 110 pitch limit with a 2-2 count on the batter. Is he required to come out at that time? No, the pitcher may complete the at bat with the current batter or inning, whatever occurs first. After either of these events, the pitcher is required to be replaced. The total number of pitches thrown will be the number recorded and not limited to 110.
- An upperclassmen pitcher throws 85 pitches on Monday and is eligible to pitch again on Friday. During the game on Friday, the pitcher reaches 95 pitches (180 weekly maximum) with a 2 ball, 2 strike count. Is he required to come out at that time? No, the pitcher may complete the at bat with the current batter or inning, whatever occurs first. After either of these events, the pitcher is required to be replaced.
- An upperclassmen pitcher has thrown 89 pitches. His coach decides to have him face one more batter. The batter is retired on four (4) pitches. How many days of rest is required for this pitcher? This individual is required to rest four (4) days. The "soft cap" only applies to the 110 pitch limit and not to the lower tier limits.
- An upperclassmen pitcher throws 12 pitches on Tuesday. How many pitches can he throw on Wednesday? He can throw 98 pitches on Wednesday. He is now required to rest for four (4) calendar days. He cannot pitch again until the following Monday.
- An upperclassmen pitcher throws 12 pitches on Tuesday and throws 12 pitches on Wednesday. How many pitches can he throw on Thursday? He can throw 86 pitches on Thursday. He is now required to rest for four (4) calendar days. He cannot pitch again until the following Tuesday.
- An upperclassmen pitcher throws 12 pitches on Tuesday, throws 12 pitches on Wednesday, and throws 12 pitches on Thursday. How many pitches can he throw on Friday? He cannot throw on Friday due to the fact that his consecutive day pitch total is greater than 25. He is eligible to pitch 110 pitches on Saturday.
- An upperclassmen pitcher throws 30 pitches in game 1 of same day doubleheader. Can he throw in game 2 of the same day doubleheader? Yes, he may throw 80 pitches in the second game.
- An upperclassmen pitcher throws 45 pitches in game 1 of the same day doubleheader. Can he throw in game 2 of the same day doubleheader? No, he may not return to throw as his game 1 total was greater than 40. Also, he is required to have two calendar days of rest.
- A game begins on Monday at 10 PM and is completed at 12:05 AM on Tuesday. The upperclassmen pitcher throws a complete game with 89 pitches. When is he eligible to pitch again? He is eligible to pitch on Friday after receiving three (3) days rest. The contest is considered to have been played on Monday.

- A game begins on Monday at 10 PM and is completed at 12:05 AM on Tuesday. Team A uses two pitchers during the contest, each throwing 45 pitches. When are both eligible to pitch again. Both pitchers are eligible to pitch again on Thursday, after receiving two (2) days rest. The contest is considered to have been played on Monday.
- A game begins on Monday at 11 PM and is completed at 1 AM on Tuesday. A relief pitcher enters the game in the 5th inning at 12:25 AM on Tuesday and throws 30 pitches. When is he eligible to pitch again? He is eligible to pitch on Wednesday after receiving one (1) day of rest. The contest is considered to have been played on Monday.
- A game begins on Wednesday and is suspended in the 4th inning. An upperclassmen pitcher has thrown 70 pitches. The game is rescheduled to be played in two weeks. 1) When is the pitcher eligible to pitch again? He is eligible to pitch again on Sunday, after receiving three (3) days of rest. 2) Is he limited to 40 pitches when the game resumes? No. He can throw as many pitches as the current policy allows.
- A game begins on Tuesday and is suspended in the 4th inning. An upperclassmen pitcher has thrown 70 pitches. The game is rescheduled to be played on Thursday of that week. 1) When is the pitcher eligible to pitch again? He is eligible to pitch again on Saturday, after receiving three (3) days of rest. 2) How many pitches can he throw during the completion of the game later that week? Zero, he has not had the required amount of days or rest to pitch, based on his pitch count.
- A game begins on the first Monday of the season and is suspended in the 6th inning at 3-3. An upperclassmen pitcher has thrown 89 pitches. The game is rescheduled to be played on Friday of that week. 1) When is the pitcher eligible to pitch again? He is eligible to pitch again on Friday, after receiving three (3) days of rest. 2) How many pitches can he throw during the completion of the game on Friday? He may throw 91 pitches. 3) Assuming he throws 21 pitches on Friday, how many pitches can he throw on Saturday? Due to throwing less than 25 on Friday, he may throw 70 pitches on Saturday as he will meet his maximum pitch count of 180.
- A game begins on the fifth Monday of the season and is suspended in the 6th inning at 3-3. An upperclassmen pitcher has thrown 89 pitches. The game is rescheduled to be played on Friday of that week. 1) When is the pitcher eligible to pitch again? He is eligible to pitch again on Friday, after receiving three (3) days of rest. 2) How many pitches can he throw during the completion of the game on Friday? He may throw 110 pitches. 3) Assuming he throws 21 pitches on Friday, how many pitches can he throw on Saturday? Due to throwing less than 25 on Friday, he may throw 89 pitches on Saturday.
- An ambidextrous pitcher throws 20 pitches with his right arm and 15 pitches with his left arm during a game on Monday. Is the individual eligible to pitch on Tuesday? No. Even though each arm total is below 25 pitches, his total pitch count is 35, which requires one day of rest.
- The home team scorebook has the pitcher of Team A with 93 pitches, with the visiting team scorebook has the pitcher of Team A with 90 pitches. How is the issue resolved? An adult designee from both teams approve by each school will confirm the pitch count of each pitcher at the completion of each inning. If there is a discrepancy that cannot be resolved, the home team scorebook/count will be considered the official count.

(NOTE: The umpiring crew will not be involved in the determination of appropriate pitch count total(s).)

- On Monday, a 9th grader throws 90 pitches and has a 2 ball, 2 strike count on the batter. His coach replaces after the 90th pitch. How many calendar days of rest are required? Three calendar days of rest are required. He may pitch again on Friday of that week and is limited to 60 pitches (soft-cap).
- On Monday, a 9th grader throws 90 pitches and has a 2 ball, 2 strike count on the batter. His coach allows him to finish the batter and he strikes him out on the next pitch, having thrown 91 pitches. By rule, the pitcher is required to be removed from the contest. How many calendar days of rest are required? Four calendar days of rest are required. He may pitch again on Saturday of that week and is limited to 59 pitches (soft-cap).
- On Monday, an underclassman throws 70 pitches. On Friday, he begins a batter at 79 pitches. Is he limited to only one pitch on the batter? No, the weekly limit is a soft cap, and the pitcher may pitch to the batter as he started the at bat with fewer than 150 pitches for the week.

Pitching Exceptions For 8th Through 10th Graders

The Board of Control has approved a policy that any 8th, 9th or 10th grade **varsity player** may pitch and bat on the freshman, sophomore or junior varsity level of competition and not have to count that game participation against his individual game limitation rule. If this player plays another position besides pitcher during the contest, this contest will count against his 40 game participation limit.

All-Star Series in Pella for 1st time:

The 48th annual All-Star Series is in Pella on August 1-3. Coaches still need to nominate their deserving senior players by filling out the All-Star Series recommendation player form found only on the website. In addition, include as much information about your player as possible. This will give our coaches the best opportunity to select the best high school players nominated. All players selected to participate in the All-Star Series must have a minimum sponsorship fee of \$250. A coach no longer needs a sponsorship fee. More always helps defray the cost of the series. It will be the high school coach's responsibility to help their players get sponsorships for the All-Star Series. If you have any questions or concerns, please contact your district rep, an officer, a board member, or Lee Toole for further details and/or an explanation.

If you have a player selected, please have fee's and sponsorship names turned into the Executive Director no later than July 29th. Remember, nomination forms are due by June 19th.

All-District priorities to follow during your July meetings:

Dates: 1A and 2A meetings - July 7th at 1:00 pm

3A and 4A meetings - July 14th at 1:00 pm

Nomination priorities to follow while selecting your All-District teams:

- 1) Nomination of a player must be made by his coach (Head, Assistant, AD)
- 2) Coach/school must be a current member of the IHSBCA
- 3) Coach/AD must be in attendance at the district meeting to nominate player
- 4) Year in school of player
- 5) Previous All-District and/or All-State honors
- 6) Look at the "degree of difficulty" of the players team schedule/record
- 7) Player must have played in 65% of regular season to be nominated
(take into account injuries and if player is MLB Drafted and leaves)

Other suggestions to keep in mind:

- 1) Nominations will be taken from the floor for each position. A player must have a majority of the votes to be selected for each team. (Changed: November 2023).
- 2) Use regular season stats only! No post-season tournament stats.
- 3) Each school gets one vote, per position/player. Coaches should be prepared to show 2023-2024 membership card or school should be checked-off the membership list in order to vote. If coach is not a member of the Association, coach must join immediately before meeting begins and pay for this remaining year and next year's dues; which will be \$ 70.00, (2023-2024 and 2024-2025). Annual dues for membership are \$35 for one year, (September thru August).
- 4) Majority vote rule in place for each position chosen at All-District meeting.
- 5) A Utility player must have played at more than one position. Example: Pitcher/SS, SS/Catcher, Outfielder/Pitcher, Catcher/First baseman. (Player must have played in at least 20% of those games at that second position!)
- 6) Make sure a third/second baseman has played those positions for the majority of the season! (Don't allow a shortstop, who has played very little third or second, move over and take that position away from a regular third or second baseman because they did not make it at "SS" when voting was completed for that position.)
- 7) There are NO ties. Only select the number of players as there are lines for on the roster sheets according to the % of schools attending the meeting. Continue voting until all ties are resolved, (Approved February 2006.) Consider the above priorities if a tie continues to occur after a number of voting sessions.
