COMMITTEE MEMBERS: We would like for each committee member to check when his committee meeting will be held. It is important for the Chairman to take roll at this committee. If a member has been absent for two consecutive years, he will be dropped from that committee, unless he was to appeal his removal in writing to the Vice-President providing proper reasoning behind his non-attendance at two consecutive committee meetings. We are trying to involve each committee of the Association in committee work.

PLAYER FROM CHARTER OAK-UTE PASSES AWAY: Coach Garry Hutchinson passed word onto us about one of his stand out players over the past three years died of cancer in November. He was Matt Evers, a senior at Charter Oak High School, who died of lymphoma cancer. Matt was a very fine baseball player having started as a freshman on COU's State Tournament Team, was named two years to the Boyer Valley Conference First Team, was selected to the South-west District 1A-2A First Team last summer, and was an Honorable Mention All State selection by the INA. Matt's leadership was evident off the field as well as he was the Senior Class President and this fall's Homecoming King.

Matt will be missed by his teammates, the school, and the baseball community. The Coaches Association passes along our condolences to Coach Garry Hutchinson and the parents of Matt.

God bless him and thank God for him!

MEETING MINUTES

SYNOPSIS OF THE MINUTES OF THE MEETING OF THE BOARD OF CONTROL OF THE IOWA HIGH SCHOOL ATHLETIC ASSOCIATION

SUMMER BASEBALL REGULAR SEASON AND STATE TOURNAMENT REPORT/APPROVED CONTINUED USE OF NONMETAL CLEATS. Mr. Harty reviewed with members the progress of the summer baseball season and the tournament series, sectional, district, substate through the state tournament completed July 30, 1988 at Marshalltown. It was pointed out that 16 coach ejections were made during the 1988 summer season, none of which were second offenses. All have been dealt with administratively between the Association, umpires, and member schools. Discussion centered around a national rule change regarding a penalty for unsportsmanlike conduct by the coach that would restrict him to the dugout for the remainder of the game as an alternative to the policy currently enforced by the Association. The new national rule change as an alternative to ejecting a coach, rule 3-3-1, will now allow the umpire to restrict the coach to the dugout for unsportsmanlike conduct. The decision would be at the umpire's discretion and would be based on the severity of the coach's conduct. The intent of the change is to allow games to continue in those situations where the coach's conduct is not blatant. If a coach is ejected and there is not another adult sponsor or assistant coach at the game, it is forfeited. This rule change gives the umpire an option for less severe conduct by a coach, yet keeping in mind the flagrant violations the first offense would involve ejection. Discussion followed. Considerable discussion was generated with regard to another most recent national rule change reinstating the use of metal cleats after a five-year absence on an optional basis. Since 1984, only nonmetal cleats have been allowed at the high school level. It was pointed out that the rule was put in for nonmetal cleats to save severe injuries that take place when youngsters are 'spiked'. It appears to be rather ridiculous to expose our athletes to that type of injury which need not take place. Upon further discussion regarding the use of metal and nonmetal cleats, it was moved by Hoenshel and seconded by Pyle that the Iowa High School Athletic Association will continue with the nonmetal cleats for high school baseball. Motion carried unanimously.

Mr. Harty then followed-up with a report of the summer tournament series, sectional through State tournament, noting that very few postponements took place due to the dry weather. The State tournament was completed on schedule with excellent attendance. Marshalltown added to an already existing fine facility with a new backstop and a screen awning for the news media covering the tournament games. The 4A championship was won by West Des Moines, Dowling High School; 3A was won by Centerville; 2A was won by Sully, Lynnville-Sully; and 1A was won by Norway.

BOARD OF DIRECTORS' MEETING

UNIV. OF IOWA--HAWKEYE CARVER ARENA

OCTOBER 15, 1988, 9:30 A.M.

The meeting was called to order by President Lanny Peterson with twenty-seven (27) present. After introductions, which included three summer state championship coaches, the minutes from the previous meeting were moved to be accepted by Ken James which was seconded by Gary Paulsen. A special "Thank You" was given by all to Duane Banks for his fine hospitality once again for hosting our fall meeting.

Executive Secretary Pinky Primrose gave the financial report announcing that we have \$ 8,758.58 on hand with all bills paid with the exception of the newsletter. Bob Watson moved that the financial report be accepted while Terry Heald seconded the motion.

Pinky, under the watchful eye of President Peterson, "presented" his executive secretary's report. There is neither time nor space nor enough ink to do justice to Pinky's words of wisdom" but some of his points follow:

- 1) Compliments galore for great All-Star Series and Clinic
- 2) Mention of redistricting in the 4A West
- 3) Perry's father complaint
- 4) The addition of district recognition for media
- 5) Membership of coaches at the 3A and 4A level is 90% or better while 1A and 2A coaches join our association at a 15-20% rate.
- 6) Over 100 baseball coaches at the high school level quit last year
- 7) All-State team selection of a super team was well received
- 8) Consider Stouffers for the host motel for the 1989 All-Star series
- 9) 1990 bid for All-Star series received by Iowa State to be held there or at Sec Taylor in Des Moines
- 10) Consider recommendation by Hall of Fame committee increase to two
- 11) The Coach of the Year Plaque should be similar to college Coach of Year, only smaller
- 12) A new printer (Laser Jet) was purchased for the low price of \$1,500.00
- 13) There should be No ties on All-District team selections
- 14) The need for an additional All-Star sponsor; we lost Pepsi of Iowa
- 15) The two Vince Meyer recipients were excellent selections
- 16) The ABCA Clinic will be held in Nashville, Tennessee Jan. 4-5-6.
- 17) A never-ending need for Conference reps
- 18) Duane Banks is President Elect for the ABCA--give him your support

As a result of Pinky's report, discussion and motions followed. Also our president, Lanny Peterson, recorded this year's executive secretary's report at one hour and twelve minutes--a new record! First Bob Watson moved that beginning this year each district would give one media award. Terry Curtis seconded the motion and it was approved. Seconded, much discussion took place in regard to redistricting among 4A schools. The three options presented to us by the committee of Bill Freese, Don Miller, Dick Wagner and Lanny Peterson were reviewed. Finally Tim Milner moved and Andy McGaffin seconded the motion that Option 3 be accepted. The group approved leaving SE, NE, Central and West with all sixteen teams. Third, it was moved by Bob Watson and seconded by Dave Posegate that two nominees of "old timers" be selected annually under criteria selected by the chairman of the Hall of Fame Committee. It was approved. Fourth, the board responded to the request by Iowa State of hosting the 1990 All-Star series at Ames or at Sec Taylor Stadium in Des Moines. Jim Mahoney moved and Andy McGaffin seconded the motion to grant the request. It was approved.

MEMBERSHIP RENEWAL TIME:

Committee reports followed:

Umpire Committee Report--Terry Curtis: A written report was handed out listing the nominees for district umpires of the year, Hall of Fame nominee and newcomer of the year awards.

Vince Meyer Scholarship Report--Andy McGaffin: Things went well last year with 58 nominees listed.

Awards Committee Report--Lanny Peterson: Ed Feyen has compiled a written list of awards with established criteria and it will appear in the next newsletter.

There was no old business. Under new business the board divided up into their district groups and selected nominees for the various awards to be presented at our March banquet. Jim Mahoney moved and Jim Kloeewer seconded the motion that Mid-West Janitorial Service receive the President's Award while Don Bergman and Cliff Brees receive the Contributors Award. It was approved.

With Hayden and the Hawks "waiting in the tunnel for Bo," this year's fall meeting was abruptly adjourned!
