

Iowa High School Baseball Coaches Association December-January-February-1993-94--Newsletter

MEMBERSHIP RENEWAL TIME: Now is the time to renew your membership for the 1994 season. Dues are \$20.00 for everyone. We hope you will renew today; we need you and you need the association. Please send in your check with your clinic fees today. If you can recruit a new member, it sure helps the Association. A large membership is necessary if the Association is to carry on the work that we would like to continue each year, such as the Clinic, the All-District Teams, All-State Teams, All-Star Series, and the Hall of Fame. There are other projects in the works. We appreciate your support!

NEW MEMBERSHIP FEE FOR SCHOOL GROUPS: The Board of Directors changed the membership fee for those schools who have more than two coaches in their program. The new membership fees are: First two coaches from one school will pay \$20.00 each. Any additional coaches from the same school will pay \$10.00 each. For example, if three coaches from one school join the association at one time, their membership dues will total \$50.00. If you have any questions about the change, contact Pinky Primrose, Executive Secretary.

CHECK YOUR ADDRESS LABEL: If your address label does not say 1994, you have not paid this year's dues. Please do so! This will be your last newsletter unless you remit your dues for the 1994 season. We need you and you need the Association in order to improve high school baseball.

DEATH OF CONNIE GOODMAN: It was reported that Hall of Famer Connie Goodman passed away last summer with a heart attack. Connie coached and umpired in the Fort Dodge Area for many years. He was inducted into the Hall of Fame in 1976. He has been an active member of the Hall of Fame group since his induction. We want to extend our sympathy to Mrs. Goodman and family. A gymnasium is being named in his honor in Fort Dodge. If you are interested in dropping Mrs. Goodman a note, the address is: 1406 8th Ave., Fort Dodge, IA 50501.

GOOD YEAR FOR BASEBALL: Baseball brought in for the IHSAA this past season \$183,307, with costs of \$106,311, giving them a profit of \$76,996. Income and expenses are listed below: Congratulations to you coaches for the hard work of maintaining the diamonds during the past year, especially with the rain.

CONGRATULATIONS TO THE FOLLOWING SCHOOLS: The following schools have received recognition for Excellence in Academic Achievement from the IHSAA. Congratulations to the Coaches and Players of these teams.

ALL STAR COACHES NEEDED: Coaches, please fill out the questionnaire if you are interested in coaching in the 18th All-Star Series in Iowa City this summer. Date are August 4-5-6-7, 1994. The All-Star Coaches are selected by the Steering Committee. They are always looking for coaches (assistant), retired, Hall of Famer, to coach in the series. They also want coaches who are active in their district and committees. If you want to get involved with your association, this is one easy way to do it. A past head coach must sit out four to five years before he can coach again. An assistant coach must sit out one year before he can reapply. The committee also tries to get a balance in the state, north, central, south, and also try to get coaches from the different classes. Give it a try if you haven't done it before.

COMMITTEE WORK: President elect, Fr. Craig Collison, will be assigning members to the different committees. If you are interested, please contact him. If you have filled out the committee request form earlier, it has been sent on to Fr. Craig to use in his selection of committees. Get involved, its your association.

STUDENT ATHLETE COLLEGE GUIDE: I received information that there is a service for the Student Athlete College Guide. If you are interested in this service, contact Rich Doty, 200 Chisholm Place, Suite 139, Plano, Texas 75075. Phone 1-800-862-3092. They have a lot of information about the baseball schools in the country. It could be of some benefit to you in placing your student athlete in college.

IOWA TO HOST NHSACA CONVENTION: The Iowa Athletic Coaches Association will be hosting the convention in Des Moines, June 25 through July 1, for the 29th annual National High School Athletic Coaches Association Convention. Hotel Savory will be the headquarters.

LEE TOOLE HONORED: State Champ Coach Lee Toole was honored by the National High School Baseball Coaches Association in Chicago, December 4, when he received the District 5 Coach of the Year Award. Congratulations to Lee for this fine honor. The state is proud of him!

BERNIE SAGGAU FEATURED SPEAKER: Bernie Saggau will be the featured speaker at the Award's banquet, February 12, 1994. Bernie is a nationally known speaker. At this banquet he will also be receiving the highest honor the Association gives, that is the "Cap Timm President" Award.

Minutes of Iowa High School Baseball Coaches Association

Fall Meeting - Iowa City

Oct. 16, 1993

The fall meeting was held in Iowa City. The meeting was called to order by President Ed Feyen. Following introductions, it was moved by Phil Lebo and seconded by Ev Petersen to accept the minutes from the last meeting (February, 1993). The motion carried.

Pinky presented the financial report, which reflected significant gains from the 1993 All-Star Series in Council Bluffs. There was some discussion of the possibility of purchasing a typewriter for membership cards and or a laser printer. It was decided that information needed to be gathered before a decision should be made. Ev Petersen moved to approve the financial report and Phil Lebo seconded. The motion carried.

EXECUTIVE SECRETARY REPORT: Pinky discussed the newsletter costs and nomination forms. Pinky made the following recommendations:

1. We adjust the all-star rosters to include four pitchers and add a utility player to play in all the games rather than five pitchers.
2. All-Star coaches should let players, coaches, and parents know the rules on who plays how many games.
3. Pinky recommended Lee Toole Contributor of the Year for his work at the 1993 All-Star Series.
4. Pinky recommended Bernie Saggau be the Presidential Award winner.
5. After noting that he and Duane Banks would be finalizing clinic preparation in November, Pinky suggested we need to consider the format for the 1994 All-Star series.
6. Finally it was recommended that the 1996 All-Star Series be played in Cedar Rapids.

HALL OF FAME COMMITTEE REPORT:

The committee has developed some guidelines to help them make their selections and they nominated eight players, two players, and three coaches. (see enclosed document entitled Hall of Fame)

ALL-STAR COMMITTEE REPORT:

The 1994 games will be in Iowa City. The players and coaches will be staying at the Westfield Inn. The committee will be headed by Charlie Stumpff, who will be assisted by Phil Katz and Don Taylor. IPT has expressed an interest in televising again in the 1994 series and coaches were encouraged to write IPT to facilitate an agreement.

UMPIRE COMMITTEE REPORT:

The committee redesigned their districts for more equal balance of state representation. Highway 30 North-South and Interstate 35 East-West. An umpire won't be recognized as a district nominee unless he is a member of the association for three consecutive years. The district nominees were presented to board. Gary also presented that Eric Thornton of North Liberty should receive the Newcomer of the Year Award, and Bob Burns of Clinton is the Hall of Fame nominee. His committee also recommended Wally Bell be invited back to the clinic. All of the recommendations were approved.

VINCE MEYER AWARD REPORT:

The committee recommended the all-academic team be announced first at the All-Star brunch and there was some dis-

ussion of the possibility of a stipend going with the Meyer award. It was pointed out the NCAA may not accept the stipend as a legal contribution.

STEERING COMMITTEE REPORT:

They discussed the selection of coaches for the All-Star series and asked if assistant coaches could be considered for appointment. It was noted that assistants have been considered and some have served. It was suggested that the fact assistants can participate should be placed on the nomination form.

AWARD COMMITTEE REPORT:

The committee established a distinguished person award.

NEW BUSINESS:

Roger Hoel of the Hall of Fame Committee moved to accept nomination to go on the ballot for the Hall of Fame. Seconded by Lanny Peterson. Motion carried.

Father Collison moved Lee Toole be contributor of the year. Jim Donohue seconded and the motion was carried.

Ev Petersen moved Bernie Saggau be named Presidential Award winner, seconded by Merle Olberding and the motion was carried.

BASEBALL ADVISORY COMMITTEE REPORT:

Jim Mahoney recommended that the state be thanked for dealing with the rain hassles dealt with during the season and the tournaments.

A better way to start the 4A tournament: seeding was discussed but logistically difficult. Everyone is urged to use the new line-up cards. Open guy does not mean open diamond. It was discussed to have the state tape the tournament games in Marshalltown.

Members broke into district groups to take care of District business.

MEETING MINUTES

SYNOPSIS OF THE MINUTES OF THE MEETING OF THE BOARD OF CONTROL OF THE IOWA HIGH SCHOOL ATHLETIC ASSOCIATION

BASEBALL ITEMS TAKEN FROM THE DECEMBER BULLETIN OF THE I.H.S.A.A.

SYNOPSIS OF THE MINUTES OF THE MEETING BASEBALL ADVISORY COMMITTEE OCTOBER 4, 1993

The Iowa High School Baseball Advisory Committee met in the Association Office, Boone, Iowa, Monday, October 4, 1993, 9:30 a.m. pursuant to notice. Members present were Dennis Olejniczak, Decorah, Jim Mahoney, Johnston, Eugene Meister, Algona, Garrigan, Bill Huisman, Centerville, Steve Pelzer, Massena, C & M, and Mel Murken, Ankeny. David Harty, Assistant Executive Director, of the IHSAA conducted the meeting.

The committee reviewed the pre-determined meeting agenda items previously sent to committee members. The following items were reviewed:

1). **REVIEWED 1993 SEASON.** Mr. Harty reviewed with members the 1993 summer season as it related to regular season contests and post-season tournament competition. It was explained the weather conditions of rain and flooding caused for many postponements and suspended games. Host school management, coaches, players, and fans were all very understanding of the many suspended and postponed games throughout the season, including tournament ball. Attending a high school baseball game appeared to be a good diversion for everyone experiencing frustrations and difficulties with the rains and flooding.

2). **REVIEWED 4-A DISTRICT BASEBALL PAIRING PROCEDURE.** The classification structure for summer baseball is: the largest 48 schools - 4-A; the next 64 largest - 3-A; the next 128 - 2-A; balance - 1-A. The 4-A schools are paired with six teams to each of eight districts thus requiring two byes in first round tournament play at the district level. Inquiry has been made with reference to all six teams playing first round play on the opening Saturday date. One of the three winners would receive a bye in the second round, followed with the championship game in each of the eight districts. Briefly, it amounts to all six teams playing on Saturday with everyone being able to use their number one pitcher. Two teams play the following Monday, both throwing their second pitcher. One team would receive a bye. The remaining teams play on Wednesday, permitting the throwing of the number one pitcher again. The rationale being greater equity would surface as it relates to the competing teams' pitching rotations. It was pointed out in the current format the two teams receiving the byes in first round play are saving their number one pitcher to pitch against their opponent's second pitcher in the semifinal play. This would alleviate that concern. There are no first-round byes in Classes 2-A and 3-A. There is only one game in first-round 1-A play thus only 4-A would be affected by the pairing change in format.

Discussion also centered around the possibility of seeding at the 4-A district level, similar to the seeding procedure used in basketball with a cutoff date. Discussion centered around the difficulties encountered with the seeding procedure, specifically that of the mechanics of accomplishing a seeding format during the summer when communications are quite difficult. It was pointed out that seeding procedures in basketball is not without its problems. However, that is done during the course of the school year at a time when the mechanics can more easily be determined. Discussion followed.

3). **REVIEWED PLACEMENT OF A WARNING TRACK ALONG THE OUT-FIELD FENCES.**

4). **REVIEWED 20-PLAYER SQUAD LIMITATION FOR TOURNAMENT PLAY.**

5). **REVIEWED NUMBER OF UMPIRES USED IN DISTRICT FINAL PLAY.** In class 4-A the district final is now the same as the previous year's first round substate games. Three umpires are assigned substate play.

6). **REVIEWED STATE TOURNAMENT SERIES SITE SELECTION POSSIBLY CONSIDERING A COLLEGE OR PROFESSIONAL PARK.**

7). **DISCUSSED ADDITIONAL TEAMS QUALIFYING FOR STATE TOURNAMENT PLAY.**

8). **DISSEMINATED 1994 MAJOR BASEBALL RULE CHANGES.**

9). **REVIEWED PLAYER/COACH EJECTION REPORT AND SPORTSMANSHIP RATINGS OF MEMBER BASEBALL SCHOOLS.** In review of the player ejection report, it was pointed out that 108 ejections took place during the 1993 summer season as compared to 155 during the 1992 season, a 30% decrease. The Committee was pleased with the results. A great deal of emphasis was given to the matter at the rules meetings and in correspondence to umpires and coaches last spring. Coaches are to be commended for their leadership in this very important area of interscholastic athletics. The Committee expressed their appreciation for the remarkable improvement and the desire for continued efforts by coaches taking a pro-active posture in the elimination of poor conduct.

A summary of the player/coach ejection report can be found in the October, 1993, IHSAA Bulletin, pages 11-12.

10. **SPORTSMANSHIP RATINGS.** The all school sportsmanship ratings for summer baseball were reviewed by the committee. This was the first year for rating the baseball schools. Football, basketball, and wrestling schools have been rated for the past five or six years. Schools are rated on 1-5 rating scale, 1-superior, 2-above average, 3-average, 4-below average, and 5-unsatisfactory. The 1993 state average for baseball in each category is coach-1.58; players-1.60; and spectators-1.73. In that the baseball schools have not previously been rated in sportsmanship ratings as far as the coach, players, and spectators are concerned, it is not possible to compare with prior years, other than to state as an advisory committee the 1993 state average in each category for baseball is excellent. A summary of all schools' sportsmanship ratings in baseball can be found in the IHSAA October Bulletin, 1993, pages 13-16.

11). **REVIEWED THE USE OF THE NEW LINEUP CARDS,** recognizing many coaches used the older card inventory up this past summer and will now have only the newly revised lineup cards, felt to be very useful by the coaching staff.

12). **REVIEWED SPRING SPORTS MANUAL.**

13). **REVIEWED NEW CAMP/CLINIC REGULATIONS, COACHING RULE, AND NON-SCHOOL TEAM PARTICIPATION RULE.**

14). **REVIEWED STATE BASEBALL TOURNAMENT, AND PICTURE REQUEST FOR STATE BASEBALL TOURNAMENT PROGRAM.**

15). **REVIEWED THE PROBABILITY OF NOTIFYING THE IHSAA OFFICE AS WELL AS THE ASSOCIATED PRESS AND DES MOINES REGISTER OF RESULTS FROM FIRST LEVEL TOURNAMENT PLAY THROUGH SUBSTATES.**

16). **REVIEWED POSSIBILITY OF VIDEO TAPING THE STATE TOURNAMENT GAMES, MUCH AS IS THE CASE IN STATE BASKETBALL FOR RE-SALE TO THE SCHOOLS INVOLVED IN THE STATE TOURNAMENT.**

17). **REVIEWED MEDIA AREA FOR PHOTOGRAPHERS**

RECOMMENDATIONS

The following recommendations are made, resulting from the above discussions.

1. In 4-A districts play all six teams on the opening day (Saturday) with a pre-determined bye in second-round play.

2. In the interest of safety when construction or renovation takes place on playing facilities member schools consider a warning track.

3. Respectfully request a review of the squad limits for tournament play, currently permitting 20 players in uniform.

4. Respectfully request consideration to Sec Taylor stadium as a possibility for future state tournament play.

5. Recommend eight qualifying teams to the state tournament play.

6. Manual changes

A. As a part of the pitching limitation rule, stipulate in the manual that one pitch constitutes an inning having been pitched.

B. Page 49 of the manual, strike item #14, and give emphasis to same as it relates to malicious contact at rules meetings and in correspondence to umpires and coaches.

7. Recommend considering video taping each of the 12 state tournament games.

8. Place emphasis on media box for photography during regular season and tournament play.

Respectfully submitted,
David Harty

The penalty is not imposed from one sport program to the next sport program. **Exception:** If a senior (12th grade) athlete is ejected from the last contest of the season in a given sport, the penalty is carried over to the next sport program the athlete participates in.

Any school that does not enforce this policy will be placed on probation and will not be permitted to participate in any IHSAA-sponsored events for one calendar year.

*The "next regularly scheduled game/meet" is defined as the next scheduled, rescheduled, or contracted date. Example: "A1 is ejected from the first game of a double-header baseball game. What is the penalty for A1?" Ruling--A1 must sit out the second game of the double-header and is suspended from the next scheduled date at that level of competition and all games in the interim at any level. This ruling would also apply to double-dual or dual team wrestling meets and junior varsity/varsity football or basketball double-headers, as well as any other sport sanctioned by the IHSAA.

Anytime a student-athlete is ejected from a game/meet, he/she does not participate the remainder of that day. The student is also suspended from the next scheduled, rescheduled, or contracted date at that level of competition and all games/meets in the interim at other levels of competition.

Dave Harty
August 6, 1993

REPORT ON SUMMER BASEBALL TOURNAMENT SERIES, RATINGS AND EJECTION REPORT. Mr. Harty reviewed with members the district, substate, and state baseball tournament series. It was pointed out that in spite of the inclement weather the state baseball tournament started on schedule Thursday, July 29, 1993, however the finals postponed Saturday, July 31, to Monday, August 2, for completion. It was pointed out that there were many postponements, rescheduling of games, movement of sites, and rescheduling of umpire assignments throughout district and substate play. Most notably was the super cooperation and help from the membership in conducting the games, rescheduling, and change of site locations. The schools, coaches and umpires were very understanding and cooperative in the many schedule changes that were necessary to complete district and substate play.

Following review of the 1993 summer baseball tournament series, direction was given to the 1993 baseball sportsmanship ratings for the member schools, coaches, players, and spectators. Members were informed that ratings will be sent to the membership Friday, August 13, 1993. This is the first year of rating baseball, whereas, football, basketball, and wrestling have been rated in the past. The Board and Council passed a ruling that a school must have eight (8) ratings or more in all categories before they would be listed in the IHSAA Bulletin. The rating scale is as follows: 1 - Superior; 2 - Above average; 3 - Average; 4 - below average; and 5 unsatisfactory. The 1992-93 state average for baseball in each category is: Coach - 1.58; Players - 1.60; Spectators - 1.73. That is a record that all can be proud as it relates to the first year's ratings of the member baseball schools. Member schools are encouraged to use the rating information in a positive manner to improve the interscholastic program.

1992-93 BASEBALL PLAYER EJECTION REPORT

It was pointed out that there were 108 ejections in grades 7-12 during the 1992-93 baseball season. Player ejections were as follows: Junior high = 1; 9th grade = 4; junior varsity = 13; sophomore = 6; and varsity = 84. There were 47 fewer ejections in 1993 than 1992 -- a 30% decrease.

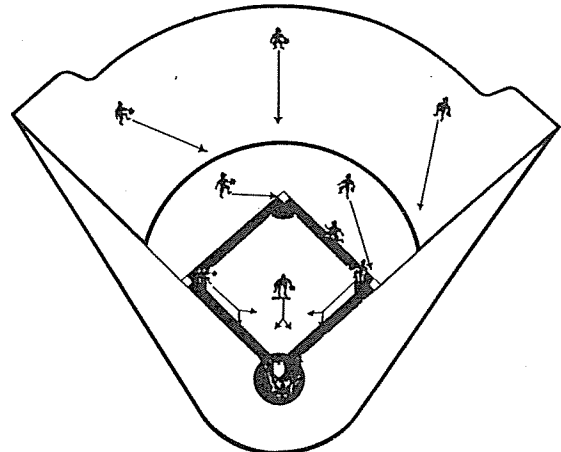

1990	1991	1992	1993
106	136	155	108

There were 16 coach ejections, grades 7-12, during the 1992-93 baseball season. Coach ejections were as follows: Varsity - 10; assistant varsity - 4; junior varsity - 1; sophomore 1; and none in the 9th grade. Thirteen (13) of these ejections were for arguing judgment/verbal misconduct and three (3) were for profanity.

Members were particularly pleased with the considerable reduction in ejections due to use of profanity and flagrant conduct. A considerably greater number of second and third notices are sent to schools not reporting an ejection than in other sport programs. This number is largely due to the fact that baseball is a summer program and schools are not in session, thus, communication is not as good as it is during the academic school year. It was also reported that seven (7) players will miss the first game of the 1994 season.
