Iowa High School Baseball Coaches Association September-October-November 2000 Newsletter VOL. 33 No. 1

2001 Baseball Season: The 2000-2001 school year is the 33rd year of the Coaches Association. Let's all go out and get a new member--an assistant coach, an umpire, a fan, or anyone who is interested in baseball. It's all for the betterment of lowa

high school baseball and your Association.

Membership Renewal Time: September 1, 2000 is the beginning of a new membership year. This is a reminder that NOW is the time to renew for 2000-2001. Your renewal form is enclosed. Dues are \$25.00 for everyone. Unless the number "2001" appears next to your name on the address label of this mailing, you should send in your membership application and 2000-2001 dues. We hope you will renew today and help promote baseball at the high school level. If you can recruit a new member, it sure helps the Association. A large membership is necessary if the Association is to carry on the work that we would like to continue to do each year such as the Clinic, All-District and All-State Teams, Academic Teams, All-Star Series, the Hall of Fame, District Coaches and Umpires of Year, Assistant District Coach of Year, Coaches and Umpire of Year. We appreciate your support!

Group fees are available if several coaches <u>from one school</u> join <u>at the same time</u>. The first two coaches from one school will pay \$25.00 each. The third coach will pay \$15.00 and all others will pay \$10.00. If three coaches join <u>at the same time</u>, membership dues would total \$65.00. If you have any questions, contact Pinky Primrose, Executive Secretary.

Congratulations to State Championship Coaches: Congratulations are in order to all the State Champs: 4A-Denny Barton, Urbandale; 3A-Dick Burch, Fort Madison; 2A-Tom Jenk Jr., Dyersville Beckman and 1A-Bill Wuebker, Granville Spalding Catholic.

Congratulations to all the teams that made it to the state tournament

All-District and All-State Teams: Enclosed you will find the Iowa High School Baseball Coaches Association All-District and All-State Teams for 2000. Two 14-man 1A and 2A, two 18-man 3A and 4A squads were selected. Thanks to all the coaches who helped select the All-District and All-State Teams. If you have any questions or suggestions about the All-District or All-State team selection process, please contact your All-District Chairman or the Executive Secretary.

All-Star Games Very Successful: The 2000 Annual All-Star Series in Davenport was very successful. This was the 24th series sponsored by the Coaches Association. A special thanks to Tom Souhrada of Davenport West and the rest of the committee who organized the games. Many thanks go to all the umpires who worked the series--they did a great job. Thanks also go to the trainers and Quad Cities River Bandits staff for their support. The All-Star Series had rain on Friday and Sunday, but Bryan Eggers and groundskeeper Cory Dann and his staff did an excellent job in helping us get the two games in.

The Large West Wins Series: The Large West team won 3 of 4 games and the Championship by beating Large East which was 3 & 1. Steve Daeges of Harlan was the winning coach, assisted by Ken Burgess of Des Moines Hoover and Al Lammers of Norwalk.

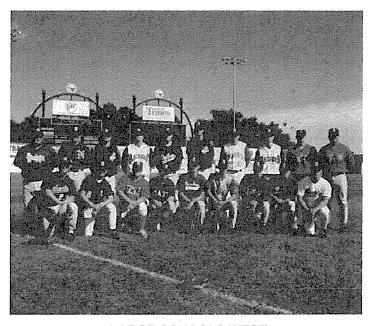

All the players and coaches are to be congratulated.

Thanks to All-Star Sponsors: Many thanks go to the sponsors and contributors of the All-Star series. Without their support the series would not be possible. Thanks also to Lanny Peterson, State Farm Agency of Cedar Rapids, for his continued support and Gary Nyhus, Clear Lake, for his support for the medals for the All-Stars and Academic All-State members.

Special Thanks To Coaches Who Collected Extra Fees For Their Players:

We would like to thank all the coaches of the All-Stars who helped collect the sponsor fees--and special thanks to those who collected more than the required \$150.00!

Get involved and next year you may have a player represent your high school team! You might also be selected as an all-star coach if you fill out the form and return it. It is a great experience for the coaches, umpires, and the ball players.

HELP SUPPORT IOWA HIGH SCHOOL BASEBALL

Iowa High School Baseball Coaches Ass'n.

2001 National Federation Baseball Major Rule Changes:

1-1-5--- By state association adoption, to allow for special occasions, commemorative or memorial patches, that will be uniformly placed, not to exceed 2 1/4 square inches, to be worn on jerseys in an appropriate and dignified manner without compromising the intergrity of the uniform.

Rationale: To provide state associations some flexibility in certain unforeseen situations that would warrant such a request from a member school.

1-1-5---Beginning January 1, 2003 the catcher's helmet and mask combination shall meet the NOCSAE standard.

Rationale: The original effective date may have been a bit ambitious. Distributors claim that the manufacturers have not yet tooled up for this process.

1-3-5---The diameter at the thickest part of the bat should be no greater than an 2 5/8", the bat shall not weigh, numerically, more than three ounces less than the length of the bat (e.g., a 33-inchlong bat cannot weight less than 30 ounces).

Rationale: The NFHS Board of Directors approved this bat specification during the January midwinter meeting and was unable to be included in the 2000 Baseball Rules Book.

1-3-5---Bats that are altered, that deface the ball, or that do not meet the rule specifications are illegal. (see 7-4-1a). Bats that are broken, cracked, or dented shall be removed upon discovery without penalty.

Rationale: The committee was concerned that the penalty (The batter is out when he enters the batter's box with an illegal bat or is discovered having used an illegal bat. If the infraction is discovered before the next pitch following the turn at bat of the player who used an illegal bat, the defense may take the penalty or the result of the play.) was too severe if a broken, cracked, or dented bat was discovered. However, bats that are altered, that deface the ball, do not meet the rule specification, shall still carry the same penalty as before.

2-28-3---For the windup position, the "time of the pitch" occurs when the pitcher

6-1-2:---(a) first starts any movement of his arm(s) or leg(s)

6-2-3---after stepping onto the pitcher's plate with his hands already together in front of his body; (b) with both arms at his side, first starts any movement with both arms or leg(s) prior to the pitch; (c) with either hand in front of the body and the other hand at his side, after bringing his hands together, first starts any movement of his arms(s) or leg(s) prior to the pitch. For the set position, the "time of the pitch" occurs the instant the pitcher, after coming to a complete and discernible stop, starts any movement with arm(s) and/or leg(s) that commits him to pitch.

Rationale: There was some confusion as to how the rule was being applied. This simply clarifies the rule.

4-2-3---The umpire-in-chief shall receive verification from both coaches that all participants are properly equipped and emphasize to the coaches and captains that all participants are expected to exhibit good sporting behavior throughout the game(s).

Rationale: To officially, by rule, emphasize the importance of sportsmanship to the educational values of baseball.

6-1-4---Replace the position of the pitcher's glove in the set position. The new rule reads "He shall come to a complete and discernible stop (a change of direction is not considered an acceptable stop) with the ball in both hands in front of the body and his glove at or below his chin.

Rationale: The committee wanted to better clarify the intent of what was required in the set position.

SITUATION #4
Single to Left Field
between shortstop and 3rd baseman.

Man on 2nd base, or Men on 2nd and 3rd bases.

Pitcher: Back up Home plate.

Catcher:

Cover Home plate.

1st Baseman:

Cut-off man! Take a position about 45 feet from Home plate in line with left fielder and Home plate.

2nd Baseman: Cover 2nd base.

Shortstop:
May have to cover 3rd base if
3rd baseman cannot recover.

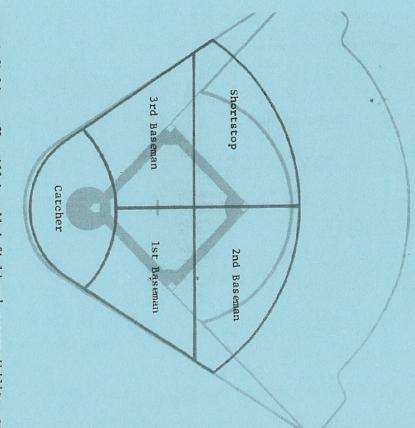

3rd Baseman: Cover 3rd base if possible.

Left Fielder:
Make low throw to the plate.

Center Fielder: Back up left fielder.

Right Fielder: Come in quickly to try and cover 1st base.

POP FLIES TO THE INFIELD

An infield pop fly will be all infielders' responsibility, and they must try for the ball until one fielder takes charge by calling for the play.

1. When calling, yell loudly three or four times.

As designated in the diagram, each infielder has his area, but he may take the play out of his area if he has taken charge of the play.

NOTE: Especially on windy days, do not call for play too soon.

WHEN PITCHER HELPS: On questionable pop flies around the mound area, and after one or more infielders have called for the play the pitcher then calls the last name of the fielder he thinks is in the best position to make the play.

The catcher must not give up on pop flies too quickly.

All pop flies directly behind the 1st and 3rd basemen will be the responsibility of the 2nd baseman and the shortstop.
