BASEBALL ITEMS TAKEN FROM THE DECEMBER BULLETIN OF THE I.H.S.A.A.

Good Year For Baseball: Baseball brought in \$465,264.00 for the IHSAA this past season, with costs of \$159,593 giving them a profit of \$305,671.00, an increase of \$9,974.00 from 2002. A record attendance enjoyed this year's State Tournament Series. Congratulations to you coaches for the hard work of maintaining the diamond and running tournaments during the past year.

All Star Coaches Needed: Coaches, please fill out the questionnaire if you are interested in coaching in the 27th All-Star Series in Iowa City this summer. Dates are August 6-7-8-9, 2004. The All-Star Coaches are selected by the Steering Committee at the Clinic. They are always looking for coaches, assistants, retired, Hall of Famer, to coach in the series. They also want coaches who are active in their district and committees. If you want to get involved with your association, this is one easy way to do it. A past head coach must sit out four to five years before he can coach again. An assistant coach must sit out one year before he can reapply. The committee also tries to get a balance in the state--north, central, south, and also tries to get coaches from the different classes. Give it a try if you haven't done it before.

Committee Work: President-elect, Paul Keitel will be assigning members to the different committees. If you are interested, please contact him. Get involved, it's your association.

All Star Medals Donated by Long's Trophies: Many thanks go to Long's Trophies of Ankeny for donating the All-Star medallions. You will see an ad in this newsletter for Long's. Please talk to them at their clinic booth and thank them for this contribution.

Update Material: Coach Duane Banks moved back to Grand Junction area.

The University of Iowa and Jack Dahm hosted the Annual Fall Meeting once again and the coaches had a great meeting and a great day of football. Go Hawks!

Everyone should read the article by Bernie Saggau in the October Bulletin (2002). The title of the article is: Honor & Dignity of Being a Coach. It makes you proud to be a coach after reading the article.

LOUISVILLE SLUGGER DOMINATES. AGAIN.

For the second year running, both teams in the College World Series championship game used TPX bats. In fact, seven out of eight teams that made it to the Series got there swinging Louisville Slugger.

Wrap your hands around the bats that dominated this year's Series. And you'll see why baseball's top sluggers swing Louisville Slugger.

MINUTES OF IHSBCA FALL MEETING NOVEMBER 15, 2003

The meeting was called to order in Iowa City, (Hawkeye-Carver Arena / Big Ten Room), by President Jim Gebhart at 8:30 a.m.

The minutes from the February 2003 meeting that were published in the newsletter were approved. Gary Paulsen made the motion to approve the minutes, while Steve Westphal seconded the motion. All were in favor.

Pinky gave the financial report. Handouts were given to all in attendance. Motion was made to approve the financial report by Charlie Stumpff. Seconded by Dick Core. All were in favor.

Pinky introduced the new Iowa Baseball Coach, Jack Dahm. A special "Thanks" to Jack and the University of Iowa for allowing us to continue to hold the meeting in Iowa City and attend the football game. Pinky reviewed the policy and procedure used towards issuing tickets for the Iowa football game. Pinky made mention of the progress being made towards scheduling speakers/clinicians for the February clinic in Cedar Rapids. He reminded all of the importance to complete the all-district coaches and umpire selections right after the regular meeting ends in a timely manner. Pinky commented on the success of the All-Star Series in Council Bluffs last August. Many positive letters were received from parents, players, and fans in appreciation of the event. The 2004 All-Star Series will be in Iowa City. Charlie Stumpff and Iowa baseball coach Jack Dahm chair the All-Star Committee. Pinky reviewed memberships paid so far this year according to classification of schools.

Pinky made a recommendation for the following awards to be given to the following individuals at the banquet in February: The Bill and Sherry Freese Contributor Award will go to Gary Paulsen, The Harold "Pinky" Primrose Award will go to Bernie Saggau, and The Presidents Award will go to Scott Broghamer. Tom Souhrada approved the recommendation. Seconded by Phil Katz. All were in favor.

Jim Gebhart gave the Presidents report. Jim reported on a workshop being offered by the Iowa Athletic Council and Drake University promoting sportsmanship and character education building for our high school athletes. Jim will attend the workshop and pass on any valuable information to the association members.

Roger Hoel gave Hall of Fame Committee report. Nominations for the Hall of Fame were made by Roger for the banquet in February. The members present accepted all nominations.

John Waddle gave the All-District Committee report. Some carry-over business from last February, a proposal was made by Steve Hansen to give a district coaches award to the newly formed 4A district in the central part of the state. The 4A Central District was split into two districts, north central and south central, last year. The committee would now like to add a district coach's award to that newly formed district, giving the 4A schools, five all-district teams and five all-district coach's awards. No discussion on this issue from the members. Motion was approved by Bret Hoyer and seconded by Tim O'Neill. All were in favor. Another piece of extended business from last year dealt with looking to even-up the teams, per district, in Class 3A. John's committee has spent countless hours on this issue. A proposal was made by John to divide the 3A schools into 4 districts with 16 teams in each district. A lengthy discussion took place on this proposal. A vote was taken to support the original proposal to divide more evenly the 3A schools/districts. This was approved by Andy McGaffin and seconded by Denny Barton. All were in favor. A second approval was made by Don Taylor and seconded by Steve Westphal to make adjustments to John's first draft. Majority in favor, one opposed to amending original proposal. This allowed discussion towards fine-tuning the proposal made by John and his committee. Further discussion took place and a final draft from John is included in this newsletter. This final draft will allow for some conference affiliated shifting to take place with schools that find themselves on the boarder line within two districts. This final adjustment to the draft was approved, all were in favor.

Phil Katz gave the Awards Committee report. He mentioned our association gives out over 60 awards to a large number of players, coaches,

umpires, contributors, and media. Cost is around the \$5,000.00 mark. There is still a concern for award winners who do not show and/or pick-up their award. The association has begun to re-cycle these awards a year later in hopes of a cost-saving measure.

Charlie Stumpff gave the 2004 All-Star Committee report. Things are underway and going well.

Gary Paulsen gave the Umpires Committee report. His committee met at the All-Star Series last August in Council Bluffs. Nominations were made for the District Umpire of the Year awards. The Newcomer of the Year Award along with the Hall of Fame Candidate were also nominated. The nominations were approved by Gary Paulsen and seconded by Terry Heald.

Jim Gebhart gave the Lanny Peterson Award and the Academic All-State Team reports. He expressed his appreciation to all those involved with the selection process and fine tuning of these two awards.

Lee Toole gave the All-State Rating Poll Committee report. All went well with ratings last summer. Have seen an increase in coaches and media participating with the information gathering process of the weekly rankings. A special "Thank You" to Todd Kimm from Radio Iowa in Des Moines for his continued support and efforts with the rankings.

The Membership Committee: No report

Steve Hanson gave the All-State Coach Committee report. His report was combined earlier with the All-District report towards adding an all-district coach award to the newly formed south central 4A district.

Lee Toole and Andy McGaffin gave the Advisory Committee report. A copy of the minutes from the fall Advisory meeting in Boone was given to all members. A point of emphasis dealt with the fact that player ejections were at an all-time low last summer, (86). Great attendance at both sites of the state tournament this past summer. A discussion took place with the idea of seeding among the 4A schools for sub-state tournaments. It was decided to see if Dave Harty would be willing to meet in February at the clinic with a small group of 4A coaches to discuss this issue and see if any options could be explored. The issue of seeding teams in 4A tournaments is still a concern.

Charlie Stumpff gave the Select Committee report. The select junior team that had previously participated in a Chicago Tournament after the regular baseball season for two years has faded away. Due to a lack of support, this topic will be discontinued.

Pinky followed with the communications portion of the agenda. Pinky made mention of the letters received from many players, parents, and fans towards their positive experiences with the all-star series. One negative letter from a parent was received in regards to the Academic All-State Team Award. Pinky would like to see the academic players get their bios read at the all-star series banquet, as we do the individual players when they are introduced with their teams.

Pinky apologized to the association for his letter to Boone in regards to a proposal asking that Cedar Rapids be considered towards hosting future state tournaments. Pinky stated he has been in communication with Bernie Saggau at the IHSAA about the situation. Pinky commented that his letter should have been a personal letter to Boone rather than an association letter in support of a state tournament site change. This issue is now behind us, we need to move forward – Jim Gebhart.

There was no new business submitted. Meeting was adjourned to District Meetings.

Respectfully submitted by Lee Toole – 2nd Vice-President
