BASEBALL ITEMS TAKEN FROM THE DECEMBER BULLETIN OF THE I.H.S.A.A.

Good Year For Baseball: Baseball brought in \$448,094.00 for the IHSAA this past season, with costs of \$161,983.00 giving them a profit of \$286,111.00, a decrease of \$9,586.00 from 2003. A record attendance enjoyed this year's State Tournament Series. Congratulations to you coaches for the hard work of maintaining the diamond and running tournaments during the past year.

All Star Coaches Needed: Coaches, please fill out the questionnaire in this newsletter if you are interested in coaching in the 28th All-Star Series in Cedar Rapids this summer. Dates are August 4-5-6-7, 2005. The All-Star Coaches are selected by the Steering Committee at the Clinic. They are always looking for coaches, assistants, retired, Hall of Famer, to coach in the series. They also want coaches who are active in their district and on committees. If you want to get involved with your association, this is one easy way to do it. A past head coach must sit out four to five years before he can coach again. An assistant coach must sit out one year before he can reapply. The committee also tries to get a balance in the state--north, central, south, east and also tries to get coaches from the different classes. Give it a try if you haven't done it before.

Committee Work: President-elect, Paul Keitel will be assigning members to the different committees. If you are interested, please contact him. Get involved, it's your association.

All Star Medals Donated by Long's Trophies: Many thanks go to Long's Trophies of Ankeny for donating the All-Star medallions. You will see an ad in this newsletter for Long's.

All State Academic Medals Donated by Gary and Sandy Nyhus:

Gary and Sandy Nyhus have donated the Academic Medals for the past four years. Associations thanks Gary and Sandy for this donation.

Update Material:

The University of Iowa and Jack Dahm hosted the Annual Fall Meeting once again. The coaches had a great meeting and a great day of football. Go Hawks!

National High School Baseball Coaches Association (BCA): You should have received in the mail a newsletter and application for the NHBSCA, founded by some of the leading coaches in the country, and headed up by Ron Davini. It would be great if you could join this organization. Cost is \$30.00 per year, with many benefits to come through the years. Send your dues today to BCA, P.O. Box 12843, Tempe, AZ 85284. This organization is on the move. 602-615-0571.

LOUISVILLE SLUGGER DOMINATES. AGAIN.

For the second year running, both teams in the College World Series championship game used TPX bats. DEFENSIVE ASSIGNMENTS ON BUNT SITUATIONS

SITUATION #2
With runners on 1st and 2nd -- bunt situation in order

Questions frequently asked: (Repeat from 1999 letter)

1. How can I get involved with the Association? All that is necessary is to attend the clinic and All-Star series. Volunteer to work or coach at the All-Star series and/or at the clinic. Serve on committees!

2. How can I coach in the All-Star Series? Fill out the form in this newsletter. The Steering Committee selects the All-Star coaches. They try to get a balance of coaches in each District, hoping to be able to cover the state. Your nomination form stays on file for two years.

3. How can I umpire in the All-Star games? An umpire in the All-Star Series must have been a member of the Association for at least three years. He must be nominated at the District meetings held in July. All the nominations from these meetings go to the Umpires Committee, which meets at the All-Star site. The nominees are narrowed down to three per district. The umpire chairman and committee will then select four additional umpires from the area to fill in the other four spots. Sixteen umpires are selected to work each year. If you are interested, fill out a nomination form that will be in the next newsletter. This form will be forwarded to the Umpire Committee chairman. All the umpires are selected by the Umpire committee.

4. How can I get on the Board of Directors? All a coach or umpire must do is get nominated by fellow coaches or umpires. The nomination form is in the Sept.-Oct.-Nov. Newsletter. The nominees who receive the most votes go on the ballot. The one-year representative and alternate stay on the ballot, but must win the votes to go on the Board.

5. Who makes the committee assignments? The Vice-President (President-elect) always makes the committee assignments for the coming year. A coach may request a certain committee. The president-elect will try to spread the committee assignments around so all sections of the state are represented. The chairmen of the committees are usually Board of Directors.

6. How are the district nominees selected? The district nominees are selected in the July meetings. Any coach who takes his team to the State tournament becomes an automatic nominee. The coaches who are nominated in the July All-District meeting and the State tournament are then narrowed down to three for each class at the fall meeting of the Board of Directors. The District Representatives (Two-Year, One-Year and 2-Year Umpire Reps) select the three nominees who go on the ballot. It is very important that a coach fill out the nomination form that is sent to him.

7. Who selects the officers? The steering committee, which is made up of dues-paying past presidents, selects the officers. The office of President moves around the state by each district. It is in this rotation: Northeast, West, Central, Southeast. The past president is chairman of the steering committee.

8. Who selects the award winners? The award winners are all selected by the Board of Directors. The Hall of Fame is selected by the Hall of Fame committee. All Hall of Fame nominations go to the Hall of Fame committee. This committee is made up of Hall of Fame members of the Board of Directors, Steering Committee and Hall of Famers.

9. Who selects the President's Award? The Board of Directors upon the recommendation of the Executive Secretary.

10. Who selects the Bill & Sherry Freese Award? The Board of Directors upon the recommendation of the Executive Secretary.

11. Who selects the Harold "Pinky" Primrose Award? The Board of Directors upon the recommendation of the Executive Secretary.

12. Who selects the District Media and Contributors Winners? The District chairman of each district with the help of the other representatives selects the winners at the fall meeting.

13. How can a coach or umpire speak at the Annual Clinic? Very easy. Volunteer, give the Clinic chairman your topic, expertise and topic. That committee meets in November and puts the clinic together with the speakers.

14. How can I get my good ball player on the All-Star Team? Fill out the profile form in the newsletter or on the web site and submit to the Executive Secretary. The forms are then forwarded to the Head Coach of each team. Each coaching staff then selects the team that they feel can win the Series. They also must have a balance on their team; not everyone can play short-stop. After you submit the form, please let the coaches know that your player has been doing the job for you all year. Make sure you try to get the player exposure. Have other coaches recommend him.

If you have questions that you want answered, please forward them to the Executive Secretary or President of the Association. This is your organization; it needs you and you need it in order to get better and improve. Our business is to help improve high school baseball in the state of Iowa and also honor the coaches and players each year who have done an outstanding job in their district.
