PRESIDENT MATTIACE SELECTED ON CLINIC STAFF IN MEXICO: Prairie High School baseball Coach Mick Mattiace was selected to put on a baseball clinic's in Puetbla, Mexico from August 2-10th. This program was sponsored by the Mexican Sports Federation. Coach Mattiace said the clinics were well attended by Coaches and students. Each day a different phase of baseball was covered at one of the baseball diamonds. The big difference Mick sees in Mexico's baseball programs and the United States program is that in the U.S. we have better coaches at the lower levels. Mexico has good facilities and great weather, but poor organization. These clinic's are an attempt to improve there programs. This year a total of 16 coaches from the United State put on clinics for over 3,000 people in Mexico.

MOUNT MERCY COLLEGE PLANS TO INITIATE A MEN'S BASEBALL PROGRAM: Len Ranson, Dean of Student Affairs of Mount Mercy College of Cedar Rapids, Iowa informed us that they plan to initiate a men's baseball program in the spring of 1977. This program will involve competition with Junior College and Junior Varsity from 4 year Iowa colleges. There is the possibility the Iowa-Ill. College Conference of which Mount Mercy College is now a member may develop a baseball program similar to their basketball program.

LETTER FROM PRESIDENT MATTIACE:

Dear Coaches:

Now that the baseball season is over and a new school year starting, and you are getting ready for the next baseball season. The first thing you should not forget to do is make plans for the 1977 Baseball Coaches Clinic in March. Let your Principal know now that you would like to make this clinic. This year we are going to have Ted Williams as a Clinic speaker, this alone is worth the price of joining the association. And don't forget to include your assistant coach.

Well you didn't make it to the state tournament this summer regroup and plan for next season. Now is a good time to order equipment, work on your diamond, plan any summer baseball trips or invitational tournament or just relax.

Congratulation to Marshalltown and Monona on winning the State Championship.

Looking forward to seeing you all at the coaches clinic in March. Mark this date on your calender.

Sincerely yours in baseball,

Mick Mattiace
President
I.H.S.B.C.A.

Plan stiff penalty on misconduct by preps in baseball

By Wayne Grett

The Iowa High School Athletic Association is preparing to take action against athletes who are ejected from summer baseball contests because of unsportsmanlike conduct.

Bernie Saggau, executive secretary of the organization, said Wednesday that a new rule, if passed by member schools, will bar players from competing in the next two contests following the infraction.

"We have no such rule now, and while it (unsportsmanlike conduct) is not a problem in our state, we don't want such a problem," Saggau said. "There are cases where players are being ejected and nothing is being done about it. We (the Board of Control of the IHSAA) don't believe this is right.

"There are getting to be more and more cases of kids slugging someone and some people think that is normal procedure. If boys know they will be out for two contests, they will think twice before they act."

Saggau said the voting forms would go out to member schools next spring after baseball rules meetings. If approved, the rule will go into effect next June 1, he added.

Saggau said the board discussed applying the rule to other sports, but no action was taken.

Baseball coaches who are ejected or walk off the field also may face stricter rules.

"We have decided that this will be a topic at our baseball rules clinics next spring," said Saggau. "We will draw up some strict guidelines for coaches to follow."
