**MINUTES OF THE MEETING OF THE  
ATHLETIC DIRECTORS  
ADVISORY COMMITTEE WITH THE  
I.H.S.A.A.**

Tuesday, June 6, 1978

The Athletic Directors Advisory Committee met in the Association Office, Boone, Iowa, Tuesday, June 6, 1978 at 10 a.m. Members present were Rollin Dyer, Atlantic; Dr. Warren Bowlus, Davenport; Bill Cook, Spencer; Fred Smith, Ankeny; Jason Church, Hudson; Howard Stutzman, Boone; and Paul Stoppels, Linn-Mar, Marion. Also in attendance were Bernie Saggau, Executive Secretary, and David Harty, Assistant Executive Secretary, of the I.H.S.A.A.

actually participate in the indoor activities. The committee reviewed results of the questionnaire relative to number of baseball games desired, considered the length of the season and the fact that school is not in session, thus not a loss of school time. Additionally, Mr. Harty reviewed with the committee the Baseball Coaches Advisory Committee recommendation should there be a necessity for contest limitation. Considerable discussion was generated with regard to the number of games versus playing dates. After discussion it was unanimously recommended that high school summer baseball practice be permitted to start on the first Monday in May and to include twenty-five playing dates with no loss of school time involved for any contest played when school is in session. Additionally, the committee unanimously recommended the elimination of the playing of spring baseball after a two year period. By definition, spring baseball is any high school baseball practice and/or contest played prior to the first Monday in May.

Baseball: The Board reviewed the October 10, 1977, Baseball Coaches Advisory Committee minutes noting that the Advisory Committee did not have any specific recommendations other than to review the baseball program involving items of contest limitations, alcohol on the premises by spectators, consideration for standardizing the uniform color for umpires and review of the State Tournament format with eight teams coming in to the final site in each class with the possibility of playing the first round out in the area of the state and semifinalists and finalists coming in to a central site for completion of the State Tournament. After review of the committee's minutes, it was noted that contest limitations have been discussed at some length by the Board of Control and Representative Council at a previous meeting with no action taken and that the format for the State Baseball Tournament series had already been changed to include first-round activity out in the area of the state. The Board did adopt the following policy as it pertains to the use of tobacco as reports in the last two or three years have increased relative to the use of tobacco (principally that of chewing) by coaches as well as players and smoking on the premises by some coaches. It was moved by Yates, seconded by Sweet and adopted, that there shall be no use of tobacco by players or coaches in all sport programs. In reference to alcohol on the premises at high school athletic events, the Board informed the executive staff of the state law prohibiting alcoholic beverages on school premises and that in future communication instructed the Executive Staff to advise all school administrators of same and the desire of the Iowa High School Athletic Association's wishes for their cooperation in adhering to the state law as it relates to junior-senior high school athletic programs.

2.	Declaring umpire interference when he inadvertently moves and hinders a catcher's attempt to throw.....	191	33 (2)
3.	Clarifying that for a given runner a forced play ends as soon as he touches the next base, or a following runner is put out at a previous base.....	214	9 (3)
4.	Permitting state associations to adopt speed-up rules when they desire to do so.....	212	13 (4)
5.	Banishing a substitute from the game who fails to report to the umpire-in-chief when entering the game and, if the illegal substitution is discovered by the defense or the umpire-in-chief, the batting out of order rule also applies when the substitute appears at bat illegally.....	107	112 (5)
6.	Permitting the designated hitter to be used defensively and when he is, it ends the role of the designated hitter.....	193	26 (6)
7.	Prohibiting the person in the coaches box to have no objects in his possession other than a scorebook which shall be used for score keeping purposes only.....	212	12 (7)
8.	Permitting a state association adoption which allows a game, terminated by an automatic sprinkling system, to be played as a suspended game.....	202	16 (8)
9.	Allowing the pitcher, when taking his sign with his feet in the set position stance, to have the ball in either the gloved hand or the pitching hand and his pitching hand shall be down at his side or behind his back.....	215	9 (9)
10.	Permitting the pitching hand to come in contact with the mouth provided the pitcher subsequently distinctly wipes off the pitching hand before it touches the ball.....	184	41 (10)
11.	Treating the act of a fielder without the ball faking a tag as if it were obstruction.....	188	32 (11)
12.	Declaring any runner out when he intentionally interferes with the throw or a thrown ball or he hinders a fielder who is attempting to field a batted ball or his being put out is prevented by an illegal act by anyone connected with the team as in 2-5-3, 3-2-2 and 3 or by the batter-runner.....	221	2 (12)
PART II - GENERAL OBSERVATION (Check only the items you consider a major problem in your area.)			
13.	a. Low pitches being called strikes <u>35</u> ; b. High pitches being called strikes <u>7</u> ; c. Prolonged games <u>67</u> ; d. Batter delays in taking his position in the batter's box <u>60</u> ; e. Too many coach/offensive player conferences <u>38</u> ; f. Too many coach/defensive player conferences <u>12</u> ; g. Unsportsmanlike tactics by the coach <u>20</u> .		
PART III - WOULD YOU FAVOR THE FOLLOWING?			
14.	Allowing a designated runner to run for any player no more than one time per inning.....	64	155 (14)
15.	Allowing a designated runner only for the pitcher and catcher.....	59	166 (15)
16.	Declaring an out against a team each time its coach charges an umpire on a judgment call.....	71	152 (16)
17.	Allowing a pitcher who has been replaced, whether he leaves the game or not, to return to pitch one more time for the duration of the game.....	128	88 (17)
18.	a. If you are a coach, do any of your players wear molded rubber sole shoes.....	61	31 (18a)
	b. If yes, do you prefer this type shoe over the metal cleated shoe.....	29	41 (18b)
	c. Did you have any injuries directly contributed to metal cleated shoes.....	29	67 (18c)
19.	Making metal cleated shoes illegal equipment beginning in 1982.....	94	120 (19)
20.	Abolishing appeal plays and having the umpire who witnesses the base running infraction declare the runner out immediately.....	69	157 (20)
21.	Having guidelines extend from each end of the pitcher's plate approximately 8 feet and directly toward the midpoint of the first and third base foul line between home and first and home and third so that the pitcher, when throwing from the pitcher's plate to first or third base, would have to place his non-pivot foot on the side of the line nearest to the base to which he is throwing.....	75	145 (21)
22.	Should the awarding of intentional base on balls to the batter without pitching to him negate the opportunity to appeal a base running infraction.....	75	142 (22)
23.	Removing the balk penalty when the pitcher, while in contact with the pitcher's plate, accidentally drops the ball and there is a runner(s) on base.....	91	132 (23)
24.	Declaring the ball dead when a fielder intentionally drops a fair fly or fair line drive while first base is occupied and less than two are out (this would protect against cheap double plays).....	140	83 (24)

**SECOND ALL STAR GAMES VERY SUCCESSFUL:** Congratulation to Jim Ellwanger and Duane Banks for the 1978 All Star Game success. The Committee should be proud for the outstanding job they did with the All Star Game Series held in Iowa City, Aug. 12 & 13. All the coaches and players that participated in this series are to be congratulated also.

The All Star Series would not have been possible if it were not for the Committee and a couple super companies like Bandag, Mr. Gene Seyb, Presidente Carinco Insurance Service Co., Tom Strode, President. The Committees hard work and the financial backing made this series a super one. The Coaches Association and Committee really appreciate Gene Seyb and Tom Strode.

Bill "Moose" Skowron and John Klippstein were the guest speakers at the banquet. John Klippstein spoke about what baseball means to him and Bill Skowron entertained with some of his past experiences.
