Our Creator Will Have Us To Be A Mature People

Praise God from Whom All blessings flow. Praise Him for His grand providence, because it is His working that brings order to a chaotic world. Hello, my name is Rev. Dr. Cassandra Hampton; I am the pastor and founder of Christ Jesus Personal Image Ministries. Christ Jesus Personal Image Ministries mission is to teach the word of God through practical everyday terms.

In the seven years we have been established, God’s continuously blessing us to actualize our mission bringing forth His promise and purposes to fruition. Thanks be to God, in an effort to reach more people, we are sending you our newsletter “**The Encourager**.” If you have either visited our church or requested to be put on our mailing list, you will receive on a monthly basis a copy of **The Encourager** (free of charge). Also, if you should have friends or family that you would like to receive “**The Encourager**,” please feel free to send us their names and addresses. Again, the issues are free of charge. Our mission is to share the gospel, enlighten, and encourage our readers that God is still on the throne and He loves and cares for us.

The reading will all be bible based, along with scripture readings as a witness of God’s will for our lives. Different topics based on everyday practical living will be addressed. If you should have questions or topics you’d like to have addressed in “

The Encourager,” write to us. If you prefer the topics to be addressed personally, we will return a response to you personally. However, if you’d like us to address the situation in the issue to share with other readers (anonymously), we will be pleased to do so. Also, should you have a prayer request, please write or call us we want to hear from you and pray in agreement with you for God’s ultimate will and blessing in your life.

I am certain you will find **The Encourager** to be a blessing to you. My sincerest prayer for you is that you allow God to be first in your life and that you develop a relationship with Him, growing closer to Him day by day. I pray that you continue to **Be Encouraged**,

MONTHLY SCRIPTURE READINGS AND MEDITATION

Reading: Psalm 66
Meditation: 66:8-12

In **Psalm 66: 8-12** we are reminded of the goodness of God and His desire for us to become a mature people. God sometimes test us only to refine us for a greater level of responsibility. We are commanded to grow in His word, and not to stay spiritual babies. However, even in our test, He causes us to march through. It is the going through the test that brings about maturity and causes greatness

(refinement). If we endure until the end of the test, we are brought out to a place of rich fulfillment (completion or conclusion for that situation). Remember that every encounter or situation is only an invitation to live on a higher level of awareness/growth. However, the measure of benefits all depends on how we respond to our experiences. What will your response be to your experiences?

SEED FOR THOUGHT
