

Rebel Tutoring Starts Monday, February 8, 2021.

Start Time: 3:25

End Time: 4:25

Teachers, please let your students know that they may attend ALL 4 days if they can either ride the bus or have someone to drop them off and pick them up. Tutoring sessions will be Monday, Tuesday & Thursday, Friday. There will be no tutoring on Wednesdays (for now). The students will have access to school computers during the tutoring sessions. Our number one goal is to help ANYONE who needs assistance in order to get classwork completed. We will offer English, science, and math tutoring. We will also assist you with your current course assignments. Virtual students are also welcome on any day; parents will need to drop you off and they can pick you up at 4:25 or you can ride the tutoring bus. The tutoring bus ONLY TRAVELS ON TOLSIA HIGHWAY (sorry).

Suggestions:

1. **STUDENTS:** EMAIL OR ASK your teacher to prepare five or more lessons that you can complete in tutoring. You can keep your work in the folder we will provide to you, and we will transfer the folder to your teacher once the work is complete. We will then pick up more instructions for work as you finish the list of assignments.
2. **TEACHERS:** Work with any student who says he/she is coming to tutoring to get help with your class work, and then prepare an informational page for the tutors, so we know exactly what the student is to do. Let us know five assignments that the student can work on in our presence, and we will give him/her a folder, and we will keep up with the work. We will return the work and get new instructions from you.
3. **TEACHERS:** Please place the information for the student in a folder with the student's name or bring it to one of us.
4. Our goal is to help the student get missing assignments (previous work) that the **TEACHER has approved**, so we can help you bring up your grade.
