Have a principal, assistant principal or secretary make sure you are listed on the sign-out sheet. This is your responsibility. 3. If parents are coming to pick you up, they **MUST** come in the office. Do not call and ask for a student to meet out front. This keeps someone other than parents from picking up students. 4. ## **TOLSIA HIGH SCHOOL DISCIPLINE POLICY**

Dear Parents / Guardians and Students:

On behalf of the administration, faculty, and staff of Tolsia High School, we invite all students to participate in the Rebel Tutoring Program (RTP) funded by WVDE 21st Century Community Learning Grant. It is our goal at Tolsia High School to assist all students in successfully fulfilling their educational goals.

Tolsia High School practices high expectations in all classrooms while engaging all students in the learning process at his /her greatest potential. The Rebel Tutoring Program was implemented as a safety net and structural system to provide extra time / extra help so that all students can succeed. RTP puts in place a systematic structure to enable students who may lack adequate preparation to complete an accelerated Program of Study that includes high-level academics and technical content.

RTP meets after school each Monday, Tuesday, Wednesday and Thursday from 3:10 to 4:30 P.M. and is available to ALL students throughout the entire school year. Faculty members provide tutoring in Math, Science, English, Drama, JROTC, Band, Chorus, and Sports. The school Media Center becomes a "Homework/ Computer Research Center" along with students staying for Make-Up Tests and / or Re-Testing. In addition to the extra time / extra help, an after-school snack and bus transportation are provided.

We invite and highly encourage all of our students to take advantage of this award winning program. For further information, please contact Greg Miller, Principal, at 648-5566 .

Sincerely,

*Greg Miller*

## **SCHOOL DISCIPLINE PROCEDURES**

In order to grow educationally, socially, and emotionally, students need to be in an environment in which firm, consistent and positive limits are set, while support is provided for appropriate behavior. Maintaining acceptable school conduct is the responsibility of students, parents, and the entire school staff. Students referred to the office are subject to school disciplinary actions. Students may be referred to the office when other classroom disciplinary measures have failed to correct student behavior. Examples of classroom measures may include warnings, conferences with students, parent communication, and assigned detention from the teacher. Students may be referred immediately when behaviors are extremely disruptive or pose a danger to self and others. The administration of Tolsia High School reserves the right to be flexible with this plan and make decisions based on the details regarding the specific incidences of each individual case. In certain cases, the actions of the students may be reported to the Wayne County Sheriff Department and the school has the option to file charges with the court system. A DMS electronic folder will be kept on each referred student as part of the WVEIS system. Behavior, which disrupts the learning process, is discouraged, and although certain misbehaviors are not major, the frequency can result in substantial disruption. Therefore, the number of

referrals to the office can dictate the punishment. Prior to all suspensions, the principal shall inform the student of alleged charges or accusations and the basis of the charges or accusations in writing. If it is possible or necessary, a parent or legal guardian of the student shall be present at the hearing. The student shall be given an opportunity to give his/her version of the facts and their implications. He/she shall be allowed to offer testimony of other witnesses and other evidence. In the event third persons are called to offer testimony, they shall not be permitted to be present during the testimony of other witnesses. The student shall be allowed to observe all evidence offered against him/her. A record will be kept.

### **COURTESY AND RESPECT**

Students are expected to show:

1. Courtesy and respect for each other.
2. Courtesy and respect for faculty and all school employees.
3. Courtesy and respect for parents.
4. Courtesy and respect for school neighbors.

### **DRESS CODE: APPEARANCE and ATTIRE**

School is a student's place of business. Students are therefore expected to follow good taste in their dress and grooming. Clothing worn to school should be comfortable and modest, and should not interrupt the learning process. Cleanliness and neatness are essential components to a positive school environment. We expect our students to dress in a manner becoming of young men and women. Any type of attire that attracts undue attention or is considered offensive to

others, and thus is disruptive to the educational process is not acceptable. Students are expected to wear appropriate clothing while attending school, on field trips, or at any other school functions. It is important that a positive impression be formed as a result of student appearance and attire. All attire should be modest and appropriate for students. Any mode of dress that interferes with the operation of the school or classroom, creates a safety hazard, hygiene concern, or has any type of obscene writing or picture will be strictly prohibited. This applies to any and all school functions. Failure to abide by the following Student.

### **PERMISSION TO LEAVE CLASS, TARDINESS, SKIPPING**

All students are assigned a place to be every minute of the time they are in the building or on school property. Any deviation from this requires permission. Each teacher must have a set of classroom rules established which must be provided and explained to each student and posted so that it is visible to all who enter the classroom. Minor infractions such as no paper, pencil, homework, etc. should be handled internally within the classroom as per established classroom rules. If these issues become chronic, then further disciplinary action by the principal can result.

Each teacher must keep a record of all incidents and disciplinary action for each student. (Classroom or DMS documentation)

1. To leave the classroom, students must first ask teacher for permission. Only one student is permitted to be out at a time. A note or hall pass that has the teacher's name and time excused must be in the student's possession.

2. To leave during the school day, students must:
  - a. bring written permission from parent/guardian or have parent/guardian sign them out;
  - b. sign out as they leave the building and then they must leave campus;
  - c. Students who leave school without signing out will be considered skipping.
3. Any student taking part in demonstrations, protests, walkouts, etc., that result in the disruption of the normal school day will be subject to disciplinary action which may include suspension from school for 1-10 days with possible recommendation for expulsion.
4. A planned skip day, such as "Senior Skip Day", is prohibited. If the principal determines that a skip day has occurred, all students who are absent on the date of the skip day shall be considered as skipping school on that date unless the student can verify one of the following:
  - a. attendance at the funeral of a family member;
  - b. a medical reason for the student's absence by having his /her personal physician (not receptionist, secretary, physician's assistant, etc.) telephone the principal
  - c. a medical stay at a hospital;
  - d. his/her absence as having been previously approved by the principal.
 Any student who participates in any "skip day", such as "senior skip day" shall attend school through the last regular day of instruction (not including ISE - Instructional Support and Enhancement - Days) in the school calendar and shall take semester examinations in all classes in which they are enrolled. Seniors who do not participate in any "skip day" shall attend their last day of instruction five

(5) days prior to the last regular day of instruction (not including ISE Days) in the school calendar and shall take semester examinations as per county policy and guidelines.

5. Being tardy for class in unacceptable. Repeated tardiness interrupts class. Tardy for class means you are not in the classroom when the tardy bell rings. Being tardy and entering the classroom after five (5) minutes of the class period will be reported as skipping. Repeated tardiness discipline procedures are:
  - The first incident of tardiness results in a teacher warning.
  - The second incident of tardiness results in a communication to the parent or guardian. First via LiveGrades, then by phone.
  - Three (3) cumulative tardies per class in one semester will be treated as a 1st offense and reported. The consequence will be three days of lunch detention.
  - The fourth (4th) tardy to a class will be reported and will result in five (5) days of lunch detention.
  - A fifth (5th) tardy to a class will be reported and will receive one day of In-School-Suspension (ISS).

#### **IN-SCHOOL SUSPENSION (ISS) RULES**

1. Students will be called to the office after the first bell in the morning.
2. The student cannot leave the ISS room for ANY reason.
3. In the ISS room students will sit in the study carrels.
4. Students must remain in their seat unless given permission by ISS supervisor to move from seat.
5. No electronic devices are allowed at any time. (ISS supervisor may utilize

technology in any behavior modification assignment)

6. Students will write ISS rules and regulations and keep in their folders.
7. Students must complete the work assigned by detention supervisor.
8. Student will receive one restroom break in the morning and one in the afternoon for a time period of 5 minutes.
9. Lunch will be provided and is to be eaten in the ISS room.
10. Failure to comply with ISS rules will result in further disciplinary action by the principal up to and including Out-Of-School Suspension (OSS).

#### **OUT-OF-SCHOOL SUSPENSION (OSS) RULES**

whenever students are suspended (out of school) from any school in Wayne County, they are also suspended from all extra-curricular and co-curricular activities at the school during the inclusive dates of the suspension. Suspension from extra-curricular and co-curricular activities shall become effective immediately upon notice to the students of their suspension from school. If the students' suspension dates from school include a weekend, holiday, or other dates that school is not in session for students, the suspension from extra-curricular and co-curricular activities is all-inclusive (includes all dates/activities) from the day/date the students are informed of the suspension through the last day/date that the students are suspended from school. For example, if a student is suspended from school for three days for something occurring on a Wednesday and school is in session on the following Thursday, Friday, and Monday, the suspension from extra-curricular and co-curricular

activities begins on that Wednesday and continues through the following Monday. The student can then return to school on Tuesday and participate in extra-curricular and co-curricular activities on that Tuesday as well. If a student receives a suspension from school near the end of a school year and there are not sufficient school days remaining in the current year's calendar for the complete suspension to be served, said suspension shall carry over to the following school year's beginning instructional term. The student would not, however, be suspended from extra-curricular or co-curricular activities during the summer months when school is not in session. The remainder of such a suspension from school and from extra-curricular and co-curricular activities would be completed starting with the first day of the instructional term of the following school year at the school the student is then attending. Whenever students are suspended from school, the principal shall inform the students and the students' parent/guardian of the length of the suspension from both school and from extra-curricular and co-curricular activities. Questions about such suspensions should be directed to the school's principal.
