Mission Statement: We at North Hill Christian Church are a people responding to God’s call, building whole community, reflecting Christ through our actions, and living into the reign of God.

As we look forward to a new year, we are also working on discerning God's call for North Hill in the coming years. It is a chance for us to **imagine together** what God is calling us to do.

Each of us plays a vital role in the ministry of North Hill Christian Church. We can't do effective ministry alone...but each of us makes a united difference. We are changing lives!

Below is a graph of how we see our ministry dollars being allocated for 2025. As you read our narrative, please prayerfully consider how you are able to support that ministry.

Imagine Together: A Sense of Wonder

As we grow spiritually, we experience a Sense of Wonder. This is God's way of helping us experience God's reign over all that we do. When we deliver Meals on Wheels and see those who have needs that we don't have, we experience God's greater world. It is always a wonder-filled experience to see the expressions on the faces of the people who are receiving meals that they need in order to have something healthy to eat. Let us imagine together as we see

God's kingdom at work and are given a chance to experience God's wonder and grow within that wonder.

Imagine Together: A Rested Church/Community

We love to gather around tables to eat and visit with friends and family. We are given an opportunity to experience an Open and Welcoming community and become a Rested Church/Community. It is a time to share God's love as we live into the reign of God and welcome others into our space (hearts). Let us imagine together how we can continue to be Open and Welcoming and be the Rested Church/Community that God wants us to be.

God's Grace flourishes when we include neighbors as family!

Imagine Together: Vitality

We work together as members for Christ's body. We are responding to God's call to offer a Citizenship class and deliver Meals on Wheels food to those in need of a hot meal. This brings Vitality to our church community. We also are able to share our space with the Attitude Adjustment group and the First Ukrainian Baptist church. Serving and witnessing to others in Christ's name is what we do. Let us imagine together what other ways that we can serve and witness to others.

Imagine Together: Enough at every Table

As we worship together, we are expressing God's love within our walls and throughout our community. All can find room at God's Table. Through worship we have opportunities to learn, to praise God, to join in song, and to gather around God's Table. Let us imagine together how we can build a whole community that works together to bring God's Table to life.

God's Call for North Hill

God calls us to Imagine Together in so many ways

On October 27th, we will offer up our commitment cards as an act of worship and celebration of our abundance.

Please prayerfully consider how the gifts that God has blessed you with will be shared as your witness to change lives, walking the talk together, in community.
