The invitations have gone out

We will accept

The time is now, the table is set

We are ready

Some don't care to attend

We will go.

Come and have a seat

We are hungry

There is enough for all

We are imperfect

There is a wide welcome

We are sinners

There is forgiveness in the invitation

We are broken

At the table we are made whole

WHAT DO YOU THINK?

Giving to mission concerns has been an important ministry of our congregation for many years. Those objectives have included addressing the needs of God's children everywhere.

We have given to many different neighborhood and city organizations. Some such as the Salish School have gotten year-round assistance from us. Others like the Willard School families and CASA got special attention with food baskets at the holidays.

The church board is asking you to share your knowledge of groups who might become a part of our ministry together. That can include year-round help or a special focus at holiday time.

Feel free to share your knowledge of e-needs that can become a part of our ministry to our community. Your assistance will be appreciated. Any board member would be glad to hear your suggestion and present it to the group. Thank you.

Book Study

Pastor Chris will be leading a book study on "My Body is Not a Prayer Request" by Amy Kenny but needs your help. Would you prefer a mid-week gathering (during the day or evening) or Sundays after worship, (either option has the possibility of gathering around food), Please let Pastor Chris know ASAP.
