## **Salish School Supplies**

We have a new list of supplies to collect for our community outreach supporting this unique immersion school. We will be collecting the below listed items through June. Please donate as you are able for this important and vital outreach. The families at the school are very appreciative of the supplies we've gathered to date and wanted me to convey their immense gratitude. They are very aware of the support offered by our congregation and thankful for our continued efforts. It is with such cooperation and coordination as this that they feel fully supported. We are, in turn, truly honored to assist our brothers and sisters, caring for all in our community as Christ taught us. Limlmtx (Thank you!)
