Call to Worship

Jenn Snow

Be still before the mystery of Life,
before your Creator who made it,
before Jesus who said that he was Life,
before the Spirit who breathes life into us all,
before life as we see it in God's good world.

**Gracious God, let us revere you in your gift of Life,
and grant to our reverence, insight into your holy purpose.**

With praise and thanksgiving we open our lives to you.

Volunteers Needed

We are looking for additional volunteers to help with worship behind the scenes, in helping with running our sound board and visual technology. We are currently down to a limited number of volunteers (2 visual tech volunteers) this will severely impact how we are able to make our worship services available online but also the use of our screen in worship.

If you or someone that you know would like to try their hand at helping lead our services from behind the scene please have them talk to Pastor Chris.
