**SLEEVES:**

Knit 22 sts (front) and place on a DP needle with end covers or on a stitch holder.

Begin first sleeve: Inc in next 2 sts, K23, Inc in next 2 sts

Working on another set of needles and on these 31 sts, work in stockinette stitch for 22 rows.

Sleeve Decrease Row: (wrong side) K2, (K2tog, K3) 5 times, K2tog, K2 (25 sts)

Knit 7 rows.

Bind off. Use good elastic bind off.

Cut yarn leaving a long tail for sewing sleeve seam later.

Reattach yarn and knit across next 41 sts to next marker. Place these back of sweater stitches on a DP needle with end covers or on a stitch holder.

Work second sleeve same as first.

Re-attach yarn and knit across remaining stitches. This is the completion of Body Row 1. On the next row you will be putting the stitches you have been holding, back on your circular needles. I do this by simply knitting them off my DP needle where they were being held (in whatever stitch is called for in the pattern).

SWEATER BODY:

Body Row 2: K3, P to last 3 sts, K3 (85 sts)

Body Row 3: Knit

Body Row 4: K3, P to last 3 sts, K3

Body Rows 5 - 22: Repeat Body Rows 3 and 4

Knit 8 rows.

Bind Off..

To finish: Sew sleeve seams, weave in any yarn ends, and sew on buttons.
