

Diaper Changing Pad

Rev. 1/2024

Sewing Directions

1. Use one piece of Flannel or French Terry and one piece of Cotton.
2. Cut both pieces dB" wide and 22" — 24" long, depending on best use of fabric.
3. Round corners for ease of sewing (sample corner below).
4. Place the right sides together. Sew around the edge using a 3/8" seam, leaving a small opening for turning.
5. Turn right side out
6. Top stitch 1/8" to 1/4" from edge, closing opening with top stitching. Or hand close opening.

Serger Directions

1. - 3. Follow steps 1 — 3 above.
4. Place wrong sides together.
5. Serge around edges.
6. Tie off serger threads.

Piecing

To make good use of scraps, one side of the Diaper Pad can be pieced. Cut two pieces of either the flannel or the cotton fabric 1/2 the width or length, plus seam allowances. Sew or surge middle seam. Press seam to side. Top stitch over folded seam. Continue with directions above.
