

**"IT'S NOT HOW MUCH WE
GIVE BUT HOW MUCH
LOVE WE PUT INTO
GIVING."
- MOTHER TERESA**

Every month I see your love for these babies stacked up on tables ready to be folded and zip-locked.

I am regularly amazed at the workmanship gone into clothing you will never see worn.

And I am so very grateful to have found such a fun place to share my time and talents.

MEETING NOTES:

* To continue the above sentiment, Obria let us know that when a client of theirs came back to speak with them, they noticed that one of our receiving blankets was with the baby. They also received a very sweet Thank You card which was passed around at the meeting. Our love is being shared!

* The grant proposal approval from Jackson should be coming in the next month. Due to us changing the amount asked for, \$7500 vs. \$10,000, they had a few more questions for us to answer.

* This year's Black Friday flannel grab will not be as large, as we have such an abundance of receiving blankets that will carry us through 2020.

* If you haven't yet had the opportunity to peek into Unit 511, we hope you will soon. While not completely organized yet, all the shelving is up and ready. We are still unpacking and organizing the boxes full of material to go on those shelves. Again, many thanks to Tom (and Suzanne) Walsh for funding and building the shelves for us and to Dave Brunton for all of his help assembling them.

* We unanimously voted for the board from 2019 to stick around for one more year.

* Formal permission was given for us to have a booth at the Expo next March. More information on that in January.

* The Duluth workshop will not be meeting in November or December.

* LOOK for an Evite coming your way for the 20th Anniversary Celebration Luncheon of Tiny Stitches. (On the calendar it is the Christmas luncheon) You should receive it in the next day or two and we would greatly appreciate your RSVP.
