

## ***HAPPY MAY!***

\*\*\*\*Apologies for the late arrival of the newsletter! I was at my younger daughter's college graduation, followed by move out for her, husband's birthday and Mother's Day with an ER visit for my dad who fell and broke his hand. Ten stitches and a cast later, he is fine. Feisty and independent fine.

☺ ***A huge shout out to Karen for taking the minutes for me!***

With Summer fast approaching, we have a few business items to relate.

\*\* Now begins our season of sewing **creepers and diaper shirts** and holding off on the sleep sacks. (Ugh to the 90 degree May weather)

\*\* We will have another workday in June. This time on a Wednesday. See below in the calendar.

\*\* Because there is not a huge need or demand for the sewing machines in the warehouse, we are discussing what and where they may be donated or given to be useful and also to free up shelf space. Restore (Habitat for Humanity's store) was a suggestion given. Other suggestions welcome.

\*\* We would love to spread the word about TS! We have plenty of brochures and may have business cards made up to hand out to interested sewers.

\*\*We welcomed two new sewers at the meeting! More love to spread to our babies!
