

So Very, Very Thankful For You!

A big “thank you” to the knitters/crocheters who have provided lots of “socks” recently as they are very much needed at this time of year.

December Needs:

Boy/Girl Sleep Sacks

Boy/Girl Socks

Boy/Girl Gowns

Boy/Girl Sleepers

REMEMBER: this is the time of year for **sleep sacks** to be made. Brrrr... If you are making quilts, please make sure they are not square, but oblong. The website dimensions are **36"x48" for quilts**. Afghans can be 36"x36" (square) or 36" x 45". Thanks in advance for helping with this.

Meeting Notes:

** We have sold two sewing machines with another potential one going this month! Yay extra income! We still have a few more machines for folks to purchase, if interested. We plan to have one machine and one serger for new people to use on loan and the rest will be given to Restore.

** If a way for us to generate extra income pops into your head, beyond the grants we are given, please let Susan know. sbrunton.emb@gmail.com

**We need someone to make burial envelopes as needed. There is appropriate fabric in the warehouse and a pattern is available. A picture of one can be found on the website at: <https://www.tinystitches.org/patterns> If you have an interest in making them, please contact Susan at sbrunton.emb@gmail.com or 404.431.9117

Please don't forget as you are doing your holiday shopping that there are ways to help Tiny Stitches get a monetary reward. **Amazon Smiles, Kroger and Joann Plus are all ways to give back to an organization.

** We discussed a possible new organization to donate our layette bags to, if there is a need. Families4.cc, an organization similar to Dream Weavers that helps out folks who foster children. We would be helping those folks who foster infants. Susan will call the organization to see if there is a need or if they take outside donations.

** Susan is gearing up to do our Black Friday fabric shopping. We discussed both flannel and ribbing. It was decided that due to the cost per yard of ribbing, we would make the rib knit fabric in the warehouse do. We won't need as much flannel this year as so many blankets are finished and we still have some bolts on the shelf.

Did you know...?

I just recently went to see my niece be a munchkin in a production of Wizard of Oz and found out this piece of trivia.

In L. Frank Baum's original novel, The Wonderful Wizard of Oz (1900), on which the film is based, Dorothy wears Silver Shoes. However, the color of the shoes was changed to red in order to take full advantage of the new Technicolor film process being used in big-budget Hollywood films of that era.
