

Open season for picnics, watermelons and vidalia onions. Hard to believe we are halfway through the year. We have put together and sent out 267 layettes (8,839 items) ! And, just in case you have never been able to see one, I am including pictures of a packed layette bag and ALL of the things included in it. Hand made, all, even down to the tote bags that hold it all. Yes, your efforts DO make a difference in someone's life. 🍷

JULY NEEDS

- Boy Lap-Front Shirts

Notes From the Meeting:

** We did a huge amount of organizing during our workday at the warehouse! The first unit, where the tubs are stored, are now arranged in girl boy order, making it easier to pack layettes. We cut up quilt panels for you to use and cleaned out unit 511 so that there is actually and AISLE! (It truly is the little things in life. HA!)

** Pam is working on a proposal for a grant to Atlanta Speedway. Will update.

**** Please note!** Your Extra Attic has done some improvements. They have repaved, re-gated and changed the code to get in slightly. The box is now located on the right building and the code is as follows: **548691#** They also ask that we enter on the right side and let exiting cars come out the left.
