

Items of Note:

*We will not be having a business meeting in June, but rather the Duluth workshop will be meeting in place of that. It will meet at Atlanta Sewing Center at 10:15, June 6th

Flannel Please when making changing pads, only use flannel on ONE side, not both. This will allow more items to be made. We received a lot of donated cloth fabric last year that can be used on the other side. Some of it will be shelved at the work day on June 14. Also, please only use terry cloth or french terry to make washcloths. Some are being made with flannel and do not dry as well. We have plenty of french terry in the middle unit, first shelf to the right.

* Our rents are yet again being increased. Sigh. We do have enough to cover, but will need grants and donations to cover the costs in the future. Please, do consider helping out with locating grants.
