

WELCOME TO FALL

Notes from the Meeting:

- * **NO WORKDAY THIS WEDNESDAY! (10/9)** It has been cancelled as we were able to move and shelve all of the fabric.
- * Beginning now with the cooler weather, all of our start times for Pre-Pack and workdays at the warehouse will begin at 9:30 <----
- * Concerning ideas for other places to try for grants, Chick Fil A was mentioned though they use their grants for young persons (teens and college mainly) as well as Hobby Lobby who uses their grant money to help with missions. Both great ideas for us, but both serve other sectors. Keep the ideas coming! We will check them out.
- * All things **GARAN**:
 - We accepted 10 pallets of fabric, which we have sorted through and put aside the knit we can use.
 - The pallets of tulle, corduroy and other fabrics that cannot be used will be picked up by Fabric World, who has cut us a \$1600.00 check. YAY!
 - We have been working to get the usable fabric down to our other warehouse spaces and now it is all in #511 (though not cut and not ready for use)
 - **HUGE** thanks to both Tom Walsh (Suzanne) and Dave Brunton (Susan) for the hours of work they have put in building us new wooden shelves to go into #511 and stacking all of the fabric there. Well done you! 🙌
 - We are in the process of unboxing Garan fabric from a few years ago and putting that on the shelves.
 - All that to say, we have a LOT of great fabric to be had for sewing for our babies!

NEEDS FOR NOVEMBER:

Boy/ Girl Socks
Boy/ Girl lap-front shirts
Girl Cloth Caps
Girl Sleepers
Girl Gowns

---> **Please Note:**

Sweater sets only need to include one hat. We are using up our excess inventory of hats by including two in the set.

Sleep sacks need to be made from fleece or minky fabric. We find the thicker fabrics keep baby warmer, especially as the sack acts as a coat of sorts.
