Ministry & Christian Leadership Program

The March of Faith School of Ministry is a discipleship and leadership center designed with the primary objective of training and enabling pastors, ministers and church leaders around the globe.

Our curriculum consists of video-based instruction developed by The International School of Ministry (ISOM) who has created teaching sessions from world-renowned Christian pastors, evangelists and teachers such as, John Bevere, Mark Virkler, Robert Morris and Perry Stone.

The Ministry & Christian Leadership Program is designed to further ministry training beyond the ISOM Core and consists of 5 Modules of pre-selected courses. Every student must have completed the Biblical Studies Core Curriculum before being enrolled in this program. Each Module includes 32 or more sessions of video instruction and an accompanying workbook. Each instructional video is approximately 30 minutes long and can be viewed online with your desktop computer, laptop, tablet or smartphone. Exams are taken at the end of each course and require at least a 70 percent passing grade.
