## **Rules for Competition**

- Only ONE phone is allowed per table that will be used to submit answers.
- Question and answer choices will be read by the moderator, however teams do not have to wait to submit their answer.
  - Students may answer a question before the question is finished. (first to answer receives the most points)
- Teams may converse as a table but cannot get help from any students outside of the competition.
- The time limit to answer the question will be 20 seconds
- If any team is caught getting help from anyone outside of their table, they will be disqualified.

## **Scoring**

- Points are awarded based on the speed of the answer.
  - Every team will receive points for correct answers, however the quicker the team answers, the more points will be earned
- Wrong answers do not receive any points.
- Kahoot! program automatically places teams in order by points accumulated after each question.
- Rankings will be shown after each question

## **Policy on Electronic Devices/Cell Phones**

- No electronic devices of any kind are allowed besides the phone being used to submit answers
- Violation of this rule will constitute automatic disqualification.
