BOC Course # CE14940

Dr. Ken Cooper, PT, DC, DAAPM, MDNC

Ken is licensed in both fields and is in his 35th year of professional health care. He has enjoyed treating professional athletes for more than two decades. Ken has developed a unique style of teaching Dry Needling that makes this technique easy to understand and apply in a safe and effective manner. He teaches core technique principles that each clinician can build on in clinical practice.
