

DEAR VALUED CLIENT

Annual Notice of Change Letters are sent to you every year from your current Health Insurance carrier.

As your **Senior Health Insurance Agent**, I am here to assist you with any transitions that may be needed.

Insurance Updates

It has been a pleasure assisting you with your Health Insurance Needs. This letter will serve as an update to you about the possible changes your plan may have for 2019.

As your Senior Health Insurance Representative, representing all major Medicare Health Insurance Plans, it is important that you contact me to review the possible changes to your plan for 2019. Each year, plans may have changes and it is important to speak with me to see how these changes will be affecting you and your coverage.

Since our goal each year is to put you in the most comprehensive, suitable yet affordable coverage, it is important to speak with you to see if your current plan is right for you.

Do not forget to contact me before the **Annual Open Enrollment Period** which starts October 15th to discuss any questions or concerns you have with your Medicare Health coverage.

Best Regards,
