

Dear Valued Client,

Just a moment to say
“Thank You” for having you as my client.

It is always my goal to have you satisfied and be there for you during the year. If you have any questions, please do not hesitate to contact me.

I have enclosed some information on other products that clients have found to be helpful to them. Look over the materials and call if you would like additional information.

Again, I ***“Thank You”*** and look forward to helping you.

Your Insurance Agent,
