MEDICARE PART D DRUGS

Four Stages of Drug Coverage

Our plan groups each drug into one of five “tiers (levels).” You will need to use the formulary (list of covered drugs) to find what tier a drug is on.

Deductible

The deductible is the amount you pay before your plan starts to pay. This deductible is for retail and home delivery.

There is no deductible for Tier 1 (preferred generic) and Tier 2 (generic) drugs.

There is a **\$200** deductible for Tier 3 (preferred brand), Tier 4 (non-preferred drug) and Tier 5 (specialty tier) drugs.

Initial Coverage

After you’ve reached the deductible, you’ll enter the initial coverage phase.

In this phase, you and the plan share the costs of some of the covered drugs until your total drug costs, including deductible, reach **\$3,605**. The total drug costs paid by both you and our Part D plan will help you reach the coverage gap.

Standard Retail Cost-Sharing

If you live in a long-term care facility, you pay the same as at a retail pharmacy.

Coverage Gap

The coverage gap (also called the “donut hole”) starts after the total yearly drug cost (along with what our plan has paid and what you have paid) reaches **\$3,605**.

While in the coverage gap in 2019, you’ll pay 25% of the plan’s cost for brand-name drugs and 37% of the plan’s cost for generic drugs. You enter the catastrophic coverage phase once your yearly true out-of-pocket cost (Troop) reaches **\$5,100**. The costs paid by you, and the manufacturer discount payment for brand-name drugs count toward your true out-of-pocket costs and help you get out of the coverage gap. **Not everyone will reach the coverage gap.**

Catastrophic Coverage

After your yearly out-of-pocket drug costs reach **\$5,100**, you pay the greater of: 5% of the cost or you pay **\$3.40** for generic (including brand-drugs treated as generic). You pay **\$8.50** for all other drugs.

Qualifying for Extra Help, Low Income Subsidy (LIS)

If you qualify for Extra Help for your Medicare prescription drug plan costs, the amount you pay for insurance every month and cost at the pharmacy will be lower.

The amount of Extra Help, Low Income Subsidy (LIS) level will decide the amount you pay for insurance every month as a member of our plan.
