Who can join?

To join **EmblemHealth VIP Essential (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in New York: Bronx, Dutchess, Kings, Nassau, New York, Orange, Putnam, Queens, Richmond, Rockland, Suffolk, Sullivan, Ulster, and Westchester.

Which doctors, hospitals, and pharmacies can I use?

EmblemHealth VIP Essential plan has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan will not pay for these services.

When joining **EmblemHealth VIP Essential** plan, you must choose a Primary Care Provider (PCP) in the VIP Medicare network. If you do not select a PCP, one will be selected for you. At any time, you can select a different PCP within the network. This network also includes additional medical providers like specialists, laboratories, and hospitals.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at emblemhealth.com/medicare. Or call us and we'll send you a copy.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider and pharmacy directory on our website at emblemhealth.com/medicare. Or call us and we'll send you a copy.

Prescription Drugs for EmblemHealth VIP Essential (HMO) Benefits

MEDICARE PART B DRUGS

- Chemotherapy drugs: You pay 10% of the cost in home and 20% of the cost at a retail pharmacy, mail order pharmacy, physician’s office, and outpatient facility.
- Other Part B drugs: You pay 10% of the cost in home and 20% of the cost at a retail pharmacy, mail order pharmacy, physician’s office, and outpatient facility.

MEDICARE PART D DRUGS

Our plan groups each drug into one of five “tiers (levels).” You will need to use the formulary (list of covered drugs) to find what tier a drug is on.

Four Stages of Drug Coverage

Deductible

The deductible is the amount you pay before your plan starts to pay. This deductible is for retail and home delivery.

There is no deductible for Tier 1 (preferred generic) and Tier 2 (generic) drugs.

There is a **\$295** deductible for Tier 3 (preferred brand), Tier 4 (non-preferred drug), and Tier 5 (specialty tier) drugs.

Initial Coverage

After you’ve reached the deductible, you’ll enter the initial coverage phase.

In this phase, you and the plan share the costs of some of the covered drugs until your total drug costs, including deductible, reach **\$3,880**. The total drug costs paid by both you and our Part D plan will help you reach the coverage gap.

Standard Retail Cost-Sharing

Tier	EmblemHealth VIP Essential (HMO)				
	Deductible	Initial Coverage \$0-\$3,880 — 30-Day Supply		Coverage Gap Over \$3,880	Catastrophic Over \$6,350
	You pay	Preferred	Standard	You pay	You pay
Tier 1: Preferred Generic	\$0	\$0	\$4	25%	5%
Tier 2: Generic	\$0	\$18	\$20	25%	5%
Tier 3: Preferred Brand	\$295	\$45	\$47	25%	5%
Tier 4: Non-Preferred Drug	\$295	\$95	\$100	25%	5%
Tier 5: Specialty Tier	\$295	27%	27%	25%	5%

Prescription Drugs for EmblemHealth VIP Essential (HMO)

Standard Mail Order Cost-Sharing

Tier	EmblemHealth VIP Essential (HMO)	
	30-day supply	90-day supply
Monthly Supply		
Tier 1: Preferred Generic	\$0	\$0
Tier 2: Generic	\$18	\$45
Tier 3: Preferred Brand	\$45	\$135
Tier 4: Non-Preferred Drug	\$95	\$285
Tier 5: Specialty Tier	27%	N/A

If you live in a long-term care facility, you pay the same as at a retail pharmacy.

Coverage Gap

The coverage gap (also called the “donut hole”) starts after the total yearly drug cost (along with what our plan has paid and what you have paid) reaches **\$3,880**.

While in the coverage gap in 2020, you’ll pay 25% of the plan’s cost for brand-name drugs and/or generic drugs. You enter the catastrophic coverage phase once your yearly true out-of-pocket (TrOOP) cost reaches **\$6,350**. The costs you pay, and the manufacturer discount payment for brand-name drugs count 70% toward your true out-of-pocket costs and help you get out of the coverage gap. **Not everyone will reach the coverage gap.**

Catastrophic Coverage

After your yearly out-of-pocket drug costs reach **\$6,350**, your cost sharing will be the larger amount of **\$3.60** or **5%** for generic or preferred multisource drugs, and **\$8.95** or **5%** for all other drugs.

Qualifying for Extra Help, Low-Income Subsidy (LIS)

If you qualify for Extra Help for your Medicare prescription drug plan costs, the amount you pay for insurance every month and cost at the pharmacy will be lower.

The amount of Extra Help, Low-Income Subsidy (LIS) level will decide the amount you pay for insurance every month as a member of our plan.

To learn more about available Medicare Part D subsidies (the money granted by the government to help pay for Part D drugs), please call:
