

YEARBOOK DESIGN CONTEST

Calling all Bobcats! Would you like your artwork showcased in the 2018-2019 yearbook? We would love to see what your creative minds can do!

To enter, please draw and color your best artwork in the puzzle piece shape below. Your art must:

- Reflect our "Building PAWSitive Connections" theme.
- Be super colorful—using colored pencils is highly encouraged. Please do not use crayons.
- Leave a small space near the shape's border, we don't want your artwork to be cut off.

Do your best! Winning artwork will appear much smaller in the yearbook than on the entry form, so small details may not show up. Don't be afraid to keep it simple. One winner will be chosen from each grade and one from each class.
