

Parish Life Minuets

September 9, 2014

The meeting was opened with prayer. Those attending were, Linda Siefert, Rheadawn Young, Maureen Harpring, Margie Walke and Amy Lesneski.

Discussion followed regarding the upcoming Fall Festival and how we can help at the Welcome booth. We also discussed how we should move forward and what specific events we should sponsor. It was decided to hold two major events a year with the addition of smaller coffee & donut type events. It was also decided to have lemonade and cookies on Saturday nights when we have the Sunday coffee and donuts so we do not leave out the large attendance at the Saturday Mass.

As Linda was ending her second term as President and would also be moving out of the parish those in attendance elected Rheadawn Young to a one year term of office as President. She will also represent the Parish Life Committee on the Parish Council

Amy brought up the possibility of small welcoming groups to personally greet new members and also maybe starting a small mother's group as a way to engage new young members of the parish. These ideas will be discussed further at the next meeting on the 2nd Tuesday in October.
