Pastor's Report: We are planning to have a Parish Picnic this summer, some members of the committee have been contacted but we need a few more. It will be a pitch in and everyone will be asked to bring a dish depending on their last name. The idea is to allow members to have an opportunity to meet other members of the parish outside of the mass setting. Father wants to foster a Family atmosphere in the parish.

We want to reestablish the School Commission before the new year begins, Father will be making announcements at all of the week-end Masses to ask those who may be interested in serving to turn in their names.

Father Stan has several ideas concerning the various committees if he is assigned to this parish, what committees we have, which ones are active, which ones that need to be dropped.

Father Stan should find out if he is going to be assigned to our parish sometime in the next two weeks.

Minutes: John Strange made the motion to accept the minutes, 2nd by Rheadawn Young.
