

**Little Jewford** is known for his entertaining one-of-a-kind show which blends his unique wit and humor with impressive musical talent. An internationally celebrated piano entertainer, Little Jewford plays everything from Rat Pack cool to sophisticated smooth. In a lively, ever changing combination, the audience is treated to songs from the Great American Songbook, ragtime, original compositions, classical and comedy with his own personal stories and musings scattered throughout.

Little Jewford is recognized around the world from his days as Kinky Friedman's keyboard player and sidekick (Kinky Friedman and The Texas Jewboys). He's been called a "man of many voices" and a "first-class showman" and has shared the stage with notable entertainers such as Willie Nelson, Leon Russell, Jerry Jeff Walker and Billy Joe Shaver; performing at iconic venues worldwide, including, the Grand Ole Opry in Nashville, BB King's Blues Club in New York, The Troubadour in Los Angeles, The Jazz Cafe in London and The Basement in Sydney, Australia.

*"Little Jewford put's on one helluva show...a first class showman!"*

*---Perry Tong, Pop's Safari Room*

*"A true professional and a tremendous entertainer. One month turned into two years. The Best!"*

*---Charlie Head, Stella's Piano Bar*

*"Little Jewford's...dry humor is a plus as is his playing of keyboards and accordion!"*
