Program Description:

Our before and after school program serve children who attend local elementary schools listed below. Children are supervised from their arrival in the morning until their departure for elementary school and when they return in the afternoon until they are picked up by 6:00 p.m. Our goal for the before and after school care program is to provide a safe atmosphere for relaxation, play time, homework, and enhancement of the school day. In addition, the program encourages independence, cooperation, sharing and fair play. The program is designed to maintain a balance between structured and non-structured time.

After Care features:

The classrooms are equipped with computers, internet access and reading materials. We will assist the children with computer-based homework assignment school projects and research learning. During free-time students have access computer learning, literacy, games, puzzles and math games. We will provide quiet-time for reading and resting, outdoor and indoor play, plus sports and activities.

Transportation:

We will provide your child with safe and convenient transportation to and from local area schools below.
