

Johns Creek Presbyterian Church Child Protection Policy Online Training

Purpose

- When people brought little children to Jesus, he took them in his arms and blessed them (Mark 10:16).
- Because Johns Creek Presbyterian Church, USA (JCPC) recognizes that we are a reflection of God's love to those in our care, we take seriously our responsibility to them.

Purpose (continued)

- This training is designed to familiarize you with the JCPC Child Protection Policy (CPP) and encourage you to read the full document.
- Be advised that the document that follows, represents the minimum requirements and additional guidelines may be provided.

Volunteering at JCPC

- Online Application
- Background Check to be renewed every 2 years.
- Annual Training

Two Adult Policy

- The goal is to have at least two adults supervising all church sponsored programs and activities involving children. Adults should remain in sight of one another at all times.
- Adults in leadership roles are expected to avoid situations where they are alone with children by having leadership teams of at least two adults for all activities.
- This two-adult policy extends to all overnight and off campus related events. Under no circumstances can one adult alone take or accompany children on an off-campus outing.

Open Door Policy

- At no time should anyone working with children or youth have a one-on-one meeting behind closed doors unless a window allows unrestricted viewing into the room. For your protection, keep the door at least partially open.

Event Permission Form

- This form should be completed for church groups anytime they are hosting an off site activity. (Form is available on the JCPC website.)

Drop Off and Pick Up Policy

- Children will be welcome to enter classrooms when adequate supervision is available. Generally, teachers will be in classrooms 10 minutes prior to class.

Drop Off and Pick Up (Continued)

- Parents of 2 year olds through 2nd grade children are asked to sign in their child on the classroom sign-in sheet and indicate their location during Sunday School. They also will be asked to list their preferred pick up method.
- Parents of 3rd grade through 5th grade are asked to sign a form at the beginning of the year stating their preference for child release/pick up. The form will offer parents the opportunity to indicate whether they will let the child leave on his/her own or have a parent or older sibling pick up the elementary aged child.

Bathroom Policy

- For a younger child needing assistance in the classroom bathroom:
 - an approved volunteer may enter the bathroom to assist and
 - must keep the door partially open

Bathroom Policy (Continued)

- For older children using the hallway bathrooms:
 - Approved volunteers may escort a group of children to the bathroom and should leave the bathroom door to the hallway open
 - At the approved volunteer's discretion, older children can utilize hallway bathrooms one at a time with the teacher's permission.
 - Children should not be taken to the bathroom alone. Another child can come along as a "buddy" if needed.

Do I need to respond to suspicion of child abuse or neglect?

- As of 2012, GA law states that volunteers and staff members in ministries with children and youth are required to report, if there is a ‘reasonable cause to believe that a child has been abused.’
- The law also requires that the report be made ‘no later than 24 hours from the time there is reasonable cause to believe a child has been abused.’
- Additional information can be found in the Official Code of Georgia Annotated Title 19-7-5.

How should I respond to allegations or suspicion of child abuse or neglect?

- All volunteers shall immediately report to two members of the Executive Team any allegations or suspicions of abuse or neglect of minor children (0-17 years old) which they become aware of during their duties at Johns Creek Presbyterian.
- Members of the Executive Team and contact information can be found on the JCPC website.

How do I know when a report is needed?

- Below are some examples of when a report would be required:
