We are closed July 4-8.

April Events

April certainly was an action-packed month! It began with Spring Break, then class pictures with Ken Rada Photography. We celebrated Easter and the resurrection of Jesus. And we finished the month with our always awesome Trike-a-thon and Art Show!

Trike-a-thon Donations

Our Trike-a-thon and Art Show was a big success! The weather was perfect and the children had a wonderful time riding, getting their faces painted and enjoying snow cones. We appreciate all of our hard working volunteers. We could not host an event like this without you! Also, thank you very much for all of the generous donations. If you would still like to contribute, it is NOT too late. Donations are due by May 12.

2022-2023 School Year

We have limited openings for the 2022-2023 school year. If you or someone you know are interested in the preschool, please have them call us or check our web site for information. New families are welcome to call and schedule a tour.

Returning Students -

Change from ProCare

You will receive a packet in May that includes your tuition statement as well as information about the upcoming school year. We will be changing from Procare to Brightwheel this month for our online billing, registrations & communications. Watch for information - we are excited about the transition to the new user-friendly program. The school calendar and parent handbook will be available online in early August. If you have any questions, please let us know. We look forward to having you back!

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Donations Needed for Summer Camp

- Empty toilet paper and paper towel tubes

Tips for Reading All Year Long

Did you know?

- * Children who are read to at an early age are more successful in school and have bigger vocabularies when they enter school.
- * Reading aloud to infants and children encourages social, emotional, and cognitive development.
- * The ability to learn language skills is greatest before the age of six.

Podcasts for Parents

"Birds on a Wire"

"Focus on the Family"

Both podcasts are for parents of all ages. Scroll through their episodes and find what you need.

Saying Good-bye is never easy ...

CONGRATULATIONS to our graduating students. We are sad to see you go, but know you will all be successful in your new school!

We wish all of you a very happy summer!!
