PARENT TESTIMONIALS

As part of our effort to continually improve our programs, we ask our parents for their thoughts and comments at the end of each school year. We are proud to share a sample of recent comments:

- *“10 out of 10! 5 stars! We cannot speak highly enough of your preschool. Our child is more confident, independent, and knowledgeable. The teachers are patient, kind, and model Jesus.”*
- *“Our child is thriving under the care of the teachers at JCP Preschool. The teachers treat each child as an individual and draw out their strengths, gifts, and talents!”*
- *“Each one of you is creating such a positive impact in one of the most important stages of a toddler’s life. More than academics, she has learned the right values to start her life in the real world!”*
- *“Your staff has made us feel loved and welcomed and we feel deeply blessed that JCPC is our school home. It already feels like family. Thank you for the best introduction to school and for pouring into our daughter.”*
- *“We are very happy and grateful for all the Biblical principles that are worked into the school day. The attention and love paid to our child is very obvious. He loves to go to school. Chapel is an amazing benefit to going here!”*
- *“You ladies gave us what our children needed in every aspect – a safe environment, a Christian environment, and a great education... The words ‘thank you’ just do not describe the gratitude and love I have for this school. You will never know the impact you had on our family.”*
- *“Every staff member is extremely patient and dedicated. I don’t think they see it as a job. I appreciate the easy app with communications and photos in one place.”*
