## Welcome Back!

We finished December and 2020 in a big way with Christmas songs, crafts, and parties celebrating the birth of our Savior. A big "thank you" to all who participated and shared wonderful gifts, including those intended for the Specials Teachers. It is such a blessing to be part of the generous and caring community we have here at JCP Preschool! We hope you all had a wonderful Christmas and a great start to the new year! We are looking forward to a terrific 2021!

## Registration for 2021-2022

Registration for the 2021-2022 school year is ongoing. Currently enrolled families can register through your account at [www.myprocare.com](http://www.myprocare.com). See our website for specific instructions. Once you receive an email with your statement you must pay the non-refundable registration fee to secure your child's spot in a class. Registration for the public opens January 20.

## Class/Teacher Assignments

We are aware that everyone is very interested in knowing who their child's teacher will be for next year. However, there are many variables in making these personnel decisions and they are seldom finalized before summer. You will receive a call from your child's new teacher in late August!

## Summer Camp

Summer camp dates have been set for the weeks of June 7, June 21, July 26, and August 9. Our summer camps are a great way to see friends, new and old, and

have fun over the summer! Camp themes for each week are on our website. Register online through your MyProcure account.

## Inclement Weather & School Closings

If Fulton County schools close for weather-related reasons, such as snow and ice, JCP Preschool will be closed as well. *If in doubt, please call the Preschool at (770) 476-1166 and listen for the recording, check our social media, or TV channel 11Alive.* With the large number of staff and students who live in Forsyth County, we also reserve the right to make the call to close if Forsyth county schools close. If Fulton County schools close for any reason other than weather, JCP Preschool may or may not close. In those situations your teacher and/or the preschool will contact you by email to let you know.

## Sick Policy Reminder

Thank you to all of our parents for diligently following our health policies. Please remember to review the health screening questions each morning before school and to keep your child home if they've been exposed to COVID, if someone in your home is awaiting COVID test results, or if your child is exhibiting any of the following symptoms: fever, chills, cough, sore throat, fatigue, headache, muscle aches, nausea, congestion, runny nose, shortness of breath, or loss of taste or smell.

## SNOWMAN RIDDLES

Q: What do you call a snowman in the summer?  
A: Puddle.

Q: How do snowmen get around?  
A: They ride an icicle.
