April Events

April certainly was an action-packed month! We celebrated Easter and the resurrection of Jesus, then rolled right into Spring Break. Everyone looked fabulous for our class photo day with Ken Rada Photography. And we finished the month with our always awesome Trike-a-thon!

Trike-a-thon Donations

Our Trike-a-thon was a big success! The weather was perfect and the children had a wonderful time riding and enjoying ice pops. Thank you very much for all of the generous donations. If you would still like to contribute, it is NOT too late. Donations are due by May 13. See the back of this page for all the details. —————>

Keep Reading All Summer Long!

- * Children who are read to at an early age are more successful in school and have bigger vocabularies when they enter school.
- * Reading aloud to infants and children encourages social, emotional, and cognitive development.
- * The ability to learn language skills is greatest before the age of six.

PARENTS, we would like to say a very **BIG** thank you for helping make this school year such a success, despite the challenges caused by the pandemic. We were all reminded how important in-person learning is for preschoolers!

CONGRATULATIONS to our graduates!

We are sad to see you go but know a wonderful adventure awaits you next year in Kindergarten. Please keep in touch. We love to hear from you!
