Dr. Betty Young Collins
Scholarship Program Chair

January 4, 2023

Greetings CBWYJG Family,

I am most honored to serve as Chair of the Carter Bush Willis Young Johnson Green (CBWYJG) Family and oversee the Scholarship Program. The CBWYJG Executive Board in partnership with Dr. Betty Young Collins, our Scholarship Committee Chair, has created a scholarship award program to provide a springboard of opportunity for first year college, career ready and continuing students. The award consists of a monetary scholarship award of \$1,000.00.

To be considered for the 2023 CBWYJG Scholarship Award, you must:

1. Be a graduating high school senior going to college or career ready program or continuing in a university with a GPA of 3.0 or better.
2. Submit a completed and signed application. You may view and print out the application from our CBWYJG website at www.cbwyjgfamily.com.
3. Submit a biographical essay.
4. Submit a one-page resume with one current recommendation from a teacher or professor on an official letterhead from the school or college or university and a second recommendation from a non-relative.

All applications are due by March 15, 2023 and will be reviewed during the month of June 2023. Awardees will officially be notified by July 15, 2023.

The CBWYJG Executive Board is dedicated and committed to partner with family members, community leaders and schools to award scholarships to students who are carving their paths to success with tenacity, perseverance and purpose. We need your help in "Making Dreams Come True" a reality for a deserving student and one of the best scholarship programs ever! Send CBWYJG Scholarship Program a generous donation! Refer to the attached flyer for instructions to ways to donate. We look forward to celebrating our first CBWYJG Scholarship awardees.

Best regards,

Dr. Betty Young Collins, Scholarship Program Chair
