SERVICE OPPORTUNITY

- We are always in need of more volunteers to help with keeping our facility clean and neat! Can you sweep? Empty the trash cans? Occasionally clean the windows? These and other tasks need to be performed most every week. Contact the church office (330-633-9161) to get more information and sign up!
- Interested in blessing those who are home-bound? See pastor Steve about getting involved in visiting our shut-ins.

Mission Spotlight

Youth in Mission has been sending teams of young adults from the USA and Canada Nazarene Colleges/Universities to the far reaches of the globe for participating in missions since the 1960s. YIM alumni are found across the world engaging in various vocations.

Over the years, our Nazarene Universities and Colleges have created effective programs, equipping and sending Mission teams to a variety of inter-cultural settings. YIM partners and draws on their experiences to share with most Nazarene young adults seeking God's direction and vocational preparation as they explore serving in urban and rural inter-cultural situations outside the context of Nazarene higher education.
