

Get up by Bishop Manning Ss 6232019

Isaiah 52 2 Shake thyself from the dust; *arise*, and sit down, O Jerusalem: *loose thyself from the bands of thy neck, O captive daughter of Zion.*

We all have 24 hours in a day, the difference between the rich person and the poor person is the same, but the rich person use their time productively.

How bad do you want it, I found out that if I miss one day that I will miss everyday.

Small and steady, wins the Race, whats the secrets to success, I think its hunger, you have to be hungry. Hungry to learn, hungry to move forward, hungry to win. As you look at yourself, it's better to be prepared for an opportunity, and not have one, than to have an opportunity and is not prepared.

People that are hungry are willing to do the things today that others won't do in order to get the results tomorrow that others won't have. To get something you never had, you got to do something you never did.

Imaging a conversation with your future self, 20 years from now, you are wiser, healthier, and that future you will begin to give you advised, the older you will tell you when to go and when to stop, would you listen? What are you trying to do with your life, what are you contributing. A big part of success is showing up early, **if you are on time, you are late.**

Make it a priority, make that goal a priority. Get up early, and get there first, sometimes, you can be so prepare and still fail, everytime you fail, is painful, it causes sadness, it causes disappointment, but a person's character is not judged by when he celebrates a victory, but by what he does when his back is against a wall.

Doesn't matter how great the setback, how severe the failures, you pick yourself up, you never give up, you push yourself, you dust yourself off, you adopt, say, i won't be stop, work on your goals, i will see difficult, differently.

In life you are either in a storm, going through a storm or coming out of a storm, it's a part of life, just don't allow it to stop you, it's not going to be easy, don't stop, don't stop, with God all things are possible.

If you want life to change, you got to change, if you want life to be better, you got to be better. Are you holding back, have you done all you can do? Are you holding back? I need the rainy season to see the leak so I can stop the leak.

Change your thoughts, and change your life, retrain yourself. Do what you are good at. (**Proverbs 18:16** ¹⁶ A man's gift maketh room for him, and bringeth him before great men.)

Marie Callenders and her faithful pie, she was at work one day, and her boss at the restaurant was not doing good, so as a single mother, she suggested to her boss to start selling her pies, the next day she brought a pie to work, and it was sold off, the next day, she sold off again. The next day, customers begin to order the whole pie instead of slice. The next month, she ordered an oven in her home, and people begin to order pies, and today, she owns hundreds of restaurant, and is in every freezer in your supermarket, arise, shake yourself off and manifest yourself. Lets pray..
