

# REDEMPTION

Redemptions by Bishop Manning

ss03222020

Psalm 91:11 King James Version (KJV)

**11 For he shall give his angels charge over thee, to keep thee in all thy ways.**

## **Matthew 16:18**

**“And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.”**

**END TIME: Russia has banned any form of religion soon it will be universal**

**Troubling times for the Church in Russia as the State tries to seal loopholes for anyone to meet Christ.**

**A new law has been signed this week by President Putin stating that:**

**1) Foreign guests are not permitted to speak in churches unless they have a "work permit" from Russian authorities**

**2) If a friend or relative from outside Russia wishes to share his/her faith in your home the guest will be fined and expelled from Russia.**

**3) Any discussion of God with non-believers is considered missionary activity and will be punishable.**

**4) Missionary activity will be permitted by special government permission. Example: If one travelling on a train shares his faith without written permission, the offender will be taken into police custody for the**

**duration of the journey and will be fined  
50,000 rubles (\$1,000).**

**Offenders from the age of 14-years-old will  
be subject to prosecution**

**5) Religious activity is no longer permitted  
in private homes. Most churches in Russia  
meet in homes.**

**6) Every citizen is obligated to report  
religious activity of neighbors to the  
authorities. Failure to be an informant is  
punishable by law.**

**7) One may pray and read the Bible at  
home but not in the presence of a  
non-believing person. You will be breaking  
the law and be punished.**

**8) If the church has purchased property it cannot be converted into a place of worship.**

**9) In church buildings, it is not permitted to invite people to turn to God. Worship services are permitted but making a non-believer a follower of Christ is against the law.**

**Let us pray against such evil statutes.**

## **PRAY FOR RUSSIA**

**▶ The devil is working very hard to occupy Christians with the things of this world so that the day will catch them unawares.**

**Acts 8 :3 to 5** <sup>2</sup> And devout men carried Stephen to his burial, and made great lamentation over him.

<sup>3</sup> As for Saul, he made havock of the church, entering into every house, and haling men and women committed them to prison.

4 Therefore they that were scattered abroad went every where preaching the word.

5 Then Philip went down to the city of Samaria, and preached Christ unto them.

### **Psalm 121:7-8 King James Version (KJV)**

7 The Lord shall preserve thee from all evil: he shall preserve thy soul.

8 The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.

Be safe today, follow the social space protocols by the local government

## Take steps to protect others

### Stay home if you're sick

- Stay home if you are sick, except to get medical care. Learn

### Cover coughs and sneezes

- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.

- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

### Wear a facemask if you are sick

- If you are sick: You should wear a facemask when you are around other people (e.g., sharing a room or vehicle) and before you enter a healthcare provider's office. If you are not able to wear a facemask (for example, because it causes trouble breathing), then you should do your best to cover your coughs and sneezes, and people who are caring for you should wear a facemask if they enter your room. [Learn what to do if you are sick.](#)

- If you are NOT sick: You do not need to wear a facemask unless you are caring for someone who is sick (and they are not able to wear a facemask). Facemasks may be in short supply and they should be saved for caregivers.

### Clean and disinfect

- Clean AND disinfect [frequently touched surfaces](#) daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.

To disinfect:

Most common EPA-registered household disinfectants will work. Use disinfectants appropriate for the surface.

Options include:

- Diluting your household bleach.

To make a bleach solution, mix:

- 5 tablespoons (1/3rd cup) bleach per gallon of water
- OR
- 4 teaspoons bleach per quart of water

- Follow manufacturer's instructions for application and proper ventilation. Check to ensure the product is not past its expiration date. Never mix household bleach with ammonia or any other cleanser. Unexpired household bleach will be effective against coronaviruses when properly diluted.
- Alcohol solutions.  
Ensure solution has at least 70% alcohol.
- Other common EPA-registered household disinfectants.
