8: Change Triggers Another Result

If you are not getting the results that you are seeking, then it's obvious you need to change the way those things are done.

The only way you will get different results is identifying what you did and doing something different, instead of more of the same and expecting a different result.

Remember the dream?

- Genesis 37:10 And he told it to his father, and to his brothers: and his father rebuked him, and said unto him, What is this dream that you have dreamed? Shall I and your mother and your brothers indeed come to bow down ourselves to you to the earth?

- Genesis 42:6 And Joseph was the governor over the land, and he it was that sold to all the people of the land: and Joseph's brothers came, and bowed down themselves before him with their faces to the earth.
