Joshua 3:7 Now the LORD said to Joshua, "This day I will begin to exalt you in the sight of all Israel, that they may know that just as I have been with Moses, I will be with you.

Joshua was a nobody, that came from the back of the culture, he was overlooked, embarrassed, struggling for everything. He was not born into a popular family, he was the lease to succeed, the black sheep of his family. Joshua was on the back of the bus, but he had an excellent spirit and he decided that I will not remain silent, and I will not get use to it, I will not settle, there is more to life than this.....

One day Moses sent him on an assignment with 12 guys, 10 guys came back complaining about giants, but Joshua decided that God was able to kill giants..As a result of this, God promoted him from the back to the front of the line, he was given an opportunity to succeed and excel to be the next leader in Israel....

Do not get use to where you are, do not get use to it,  
a better day is coming,  
a better future is coming,  
a better life is coming,  
a better tomorrow is coming,  
your life will improve, hold on a little longer,your change will come  
no turning back, and stop getting use to it, it will change.

6 Open your heart and trust that the Lord will guide and order your steps, begin to accept that the unexpected is on your side. As you approach your day with faith and expectancy, you will move forward in the abundant life God has for you. You won't walk on water unless you step out of the boat by Bishop Manning
