

SS 10 26 2014 Let God Build your House On The Rock by Archbishop Manning

Today Scripture: Matthew 7:24-27 English Standard Version (ESV)

Build Your House on the Rock

24 “Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. 25 And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. 26 And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. 27 And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it.”

Building anything requires planning, if you plan properly, you will get good results. Use God's wisdom to get to the next level in your life. Great builders built a beautiful ship named the Titanic, and they said it will never sink, it was unstoppable, unsinkable, and untouchable, they said not even God can sink this great ship. April 12, 1912 this beautiful ship/Titanic was a British passenger liner that sank in the North Atlantic Ocean in the early morning of April **1912** after colliding with an iceberg during her maiden voyage from Southampton, UK to New York City, US.

They built this great ship with the best of materials, but on sinking sand, and when I look at Noah's Ark, amateurs built the Ark, and professionals built the Titanic, but Noah's Ark is still standing in Turkey, because God built it, and He built it to last. Let God build your life and everything in your life.

The Bible said, the Rain fell,The Pressure of life, **The material** is not enough,
The Bible said, the Floods came.....The things that want to drown you
The Bible said, the Wind blew and beat.....The things that want to push you away.
Keep building, do not get discouraged, God understands, God will send you help, all of your help comes from God, do not give up on God, and He will not give up on you.....God said when you build it God's way, your house will not fall...

The Rain came, but you will not fall.

The Flood came, but it did not wash you away.

The wind blows, but you are still standing....Things are different from before...
