WHEN SOMETHING BAD HAPPENS
YOU HAVE THREE CHOICES. YOU
CAN EITHER LET IT DEFINE YOU,
LET IT DESTROY YOU, OR YOU
CAN LET IT STRENGTHEN YOU.

**The more
you try to
control
something,
the more it
controls you.
Free yourself,
and let things
take their
own natural
course.**

Jesus Heals the Man Born Blind

...**2** And His disciples asked Him, "Rabbi, who sinned, this man or his parents, that he would be born blind?" **3**Jesus answered, "It was neither that this man sinned, nor his parents; but it was so that the works of God might be displayed in him. **4**"We must work the works of Him who sent Me as long as it is day; night is coming when no one can work....

My testimony, when it does not workout according to your plan, God have another plan for your life. Trust God, bind up those things that you know is not of God.

I call a prayer service this week in David office after waiting on him for 4 weeks, because nothing was working out, and I did not have control over the situation.

I got bad news this week that a thumb drive with 11 years music , sermons, bible study, prayers are damaged, but instead of breaking down in tears, I start praying in this mans office, God touch his heart, and convince him to try and help. Let God get the glory..God will **turn** your disappointments into desty.

It will always workout by God. Bishop Wayne Manning
